He stands tall among men,

For with purpose and dedication

He has led his life

Down the paths of service

And into the hearts of us all.

Time passes

And years fade

And we must thank him.

He has shown us through troubled times.

The first footsteps ring through the otherwise silent halls. The flags unfurl themselves on the morning breeze. Students and teachers begin their perpetual chatter and the action of the day begins.

Each moment of the day ticks by, lost forever in the endless abyss of time. The days, the weeks, and the months of this constant action pass into the vast period we know as yesterday. We are powerless to halt these sands of time. We can only live . . . and watch . . . and remember.

Memories are our link with action past. Though the times and the places and the people and the doing of things has passed, we can relive them through memories. We can recall the fun or the excitement or even the disappointment of things gone by.

This, then, is the purpose of the 1964 Sentinel; to capture glimpses of the activeness of our year and record the events that made it a year of action.

# Year of Action Begins as Enthusiasm

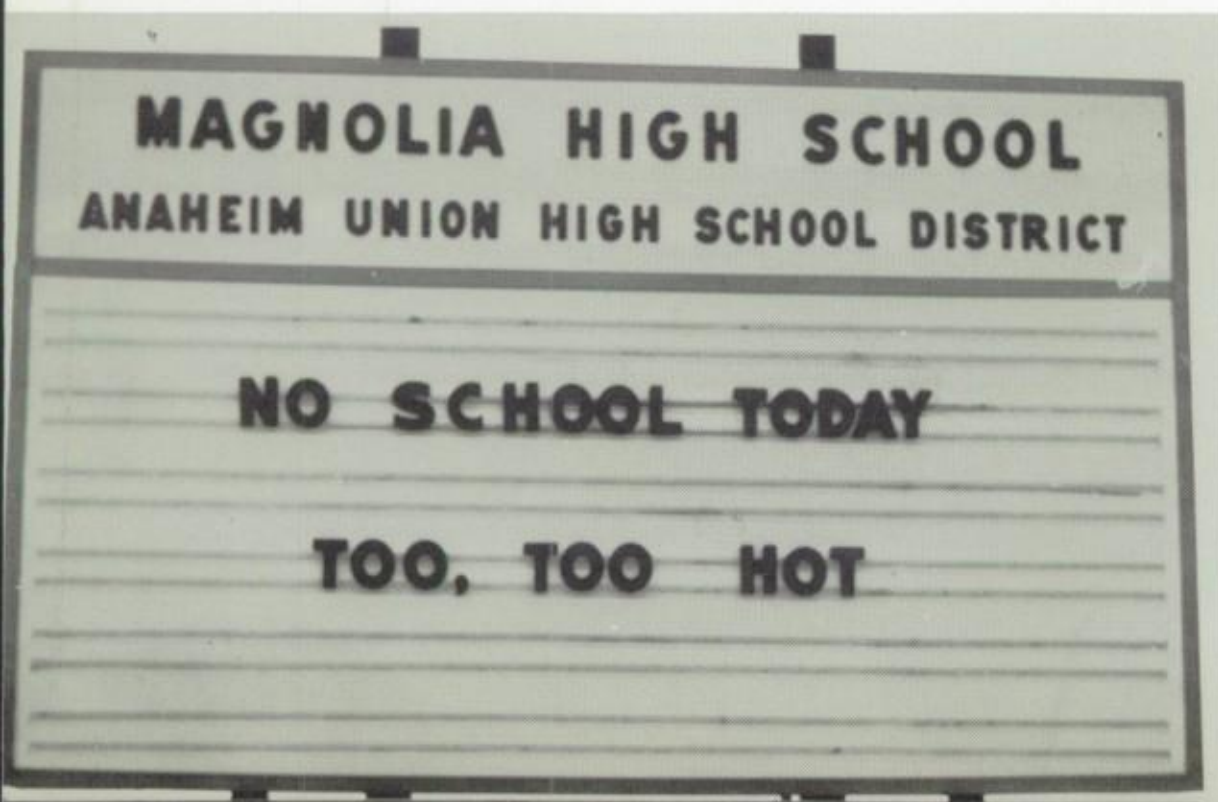

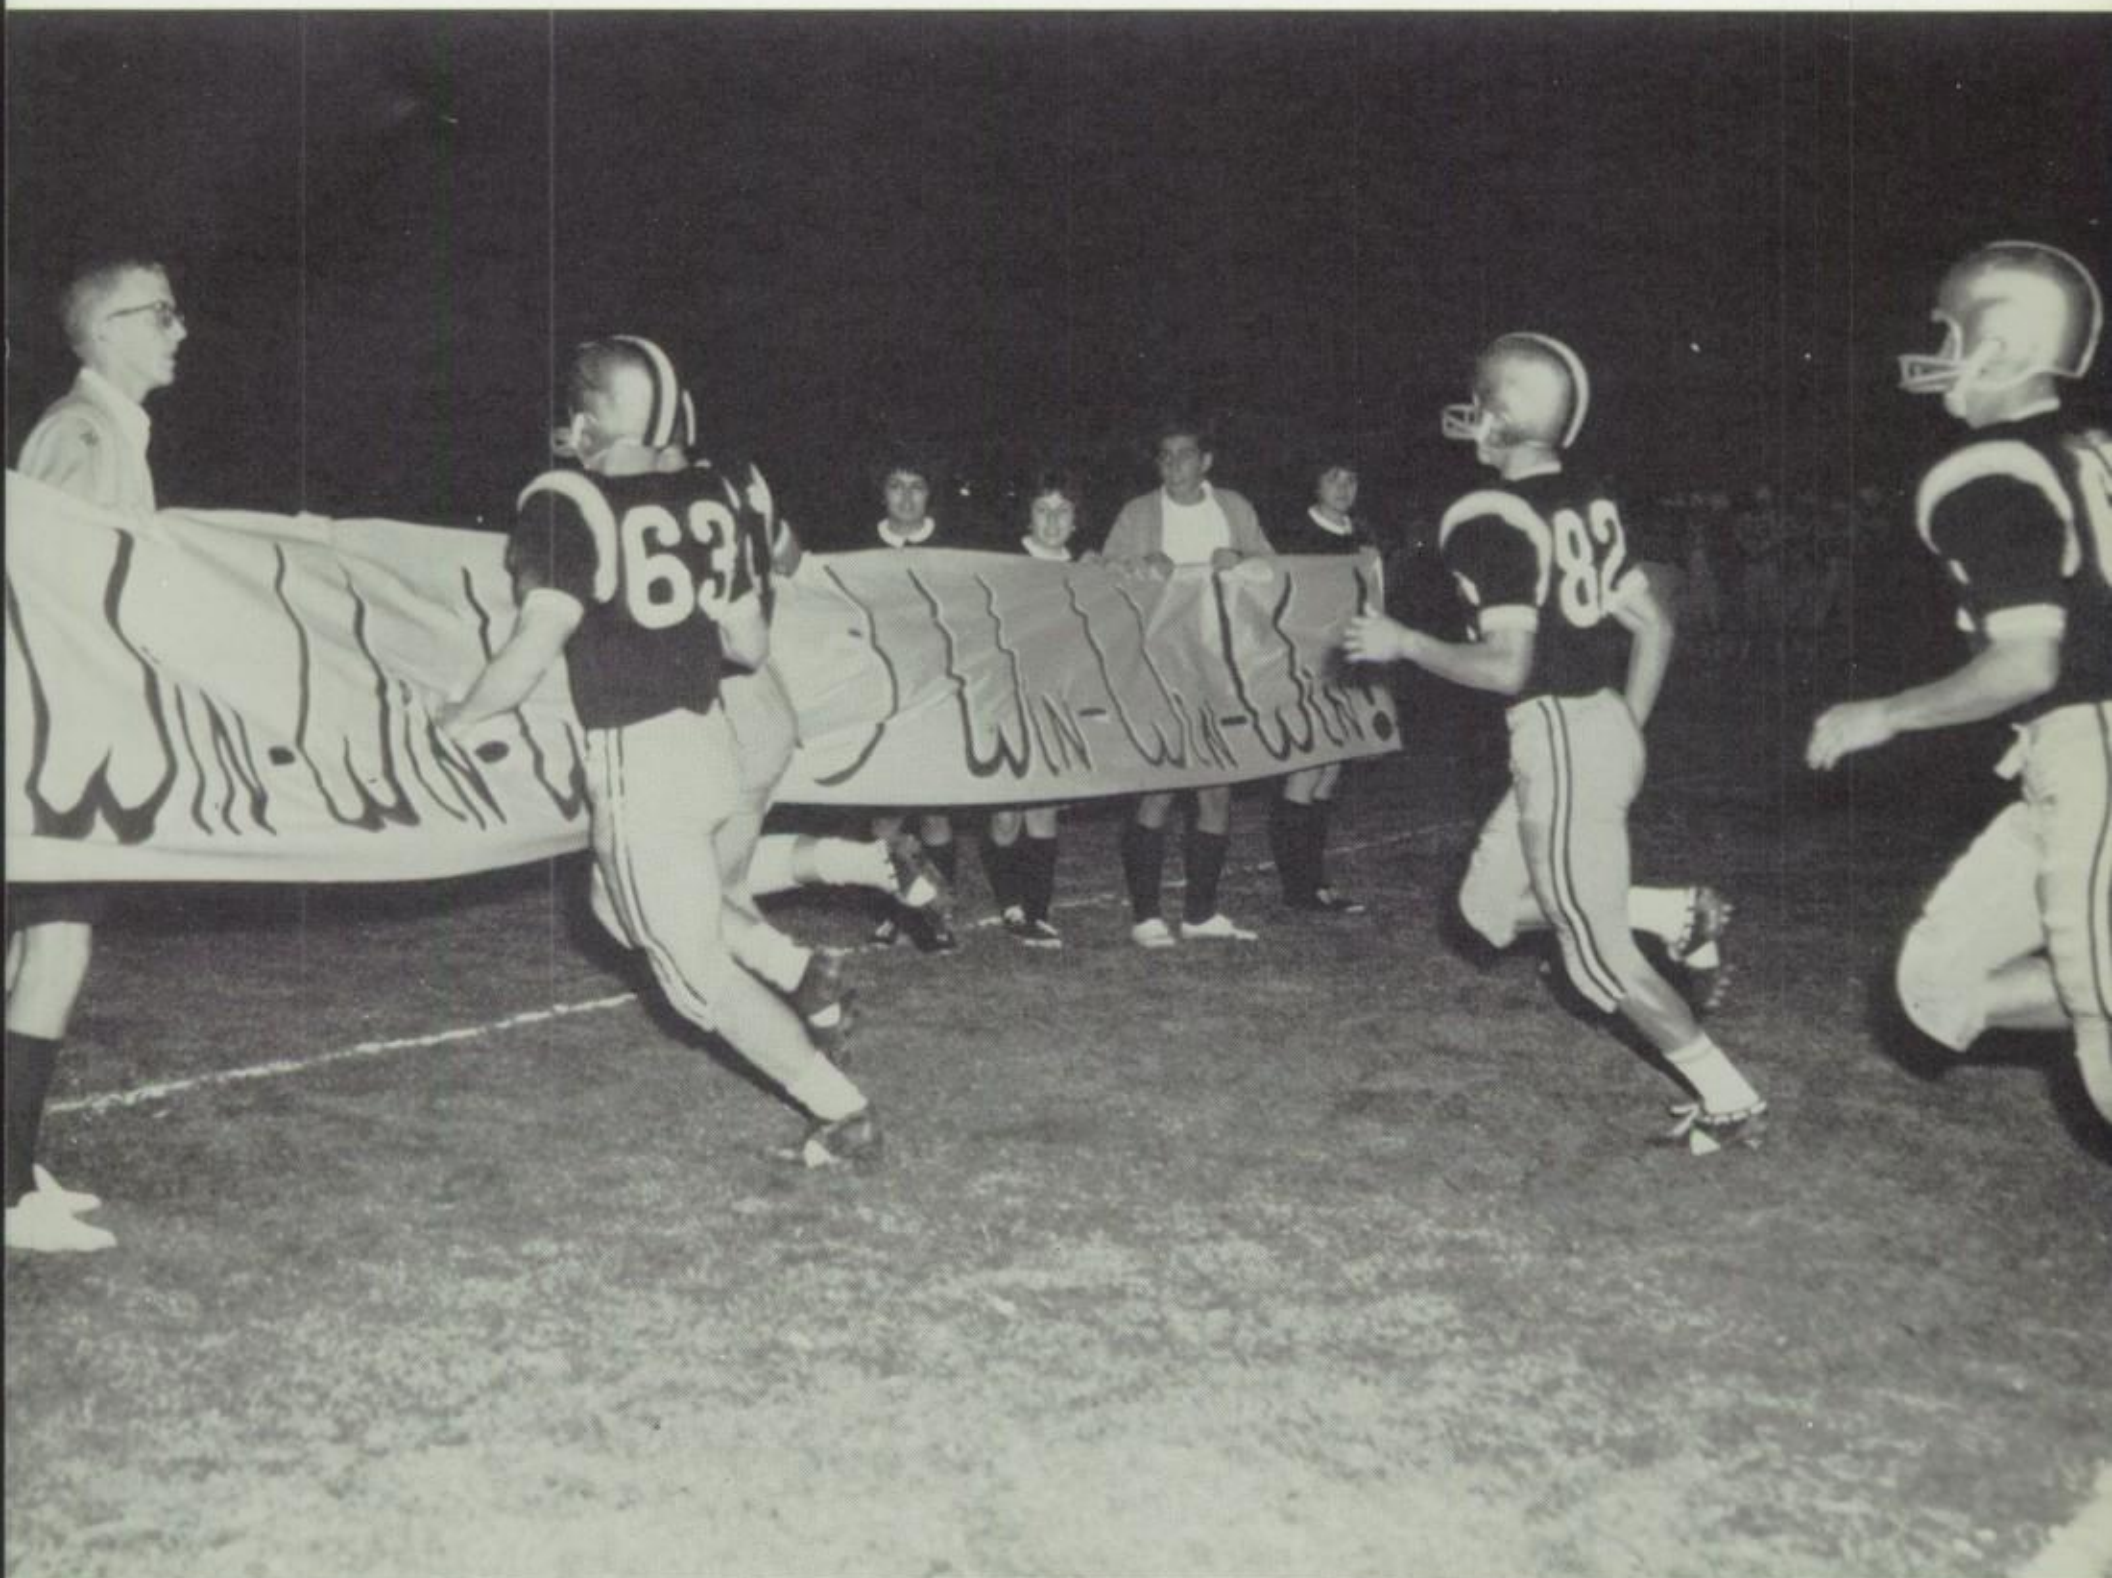

DEDICATED SAMMIES and Susies support their team during one of the many pep assemblies held during football and basketball seasons.

MHS STUDENTS couldn't have been happier on September 27, when all schools in the Anaheim High School District were closed due to the hot spell.

# Runs High in Heat of Mid-September

THESE WERE the boys who were determined to retain the Crestview League Crown. After winning five consecutive games in league play, the Sentinels continued to second-round C.I.F.

# Sentinels Await First

HER MAJESTY, Selma Littlejohn, escorted by Roger See reigns over the 1963 Homecoming Court. Selma was chosen as Magnolia's first homecoming queen in a student body election.

JOHN FITZGERALD KENNEDY 1917-1963

And when he fell in whirlwind, he went down  
As when a lordly cedar, green with boughs,  
Goes down with a great shout upon the hills,  
And leaves a lonesome place against the sky.

# Homecoming, Give Thanks

VOICES FILLED the cold walls of the Magnolia gymnasium as the A Cappella Choir entertained students in the annual Thanksgiving assembly.

# Basketball,

Football Co-Captain Mike Cochrane presents team gifts to Coaches Lent, Shue, Brown, Price, and Ortega at the Sports Awards Banquet. The jackets which had been ordered did not arrive in time for the banquet, but the coaches were assured of their arrival.

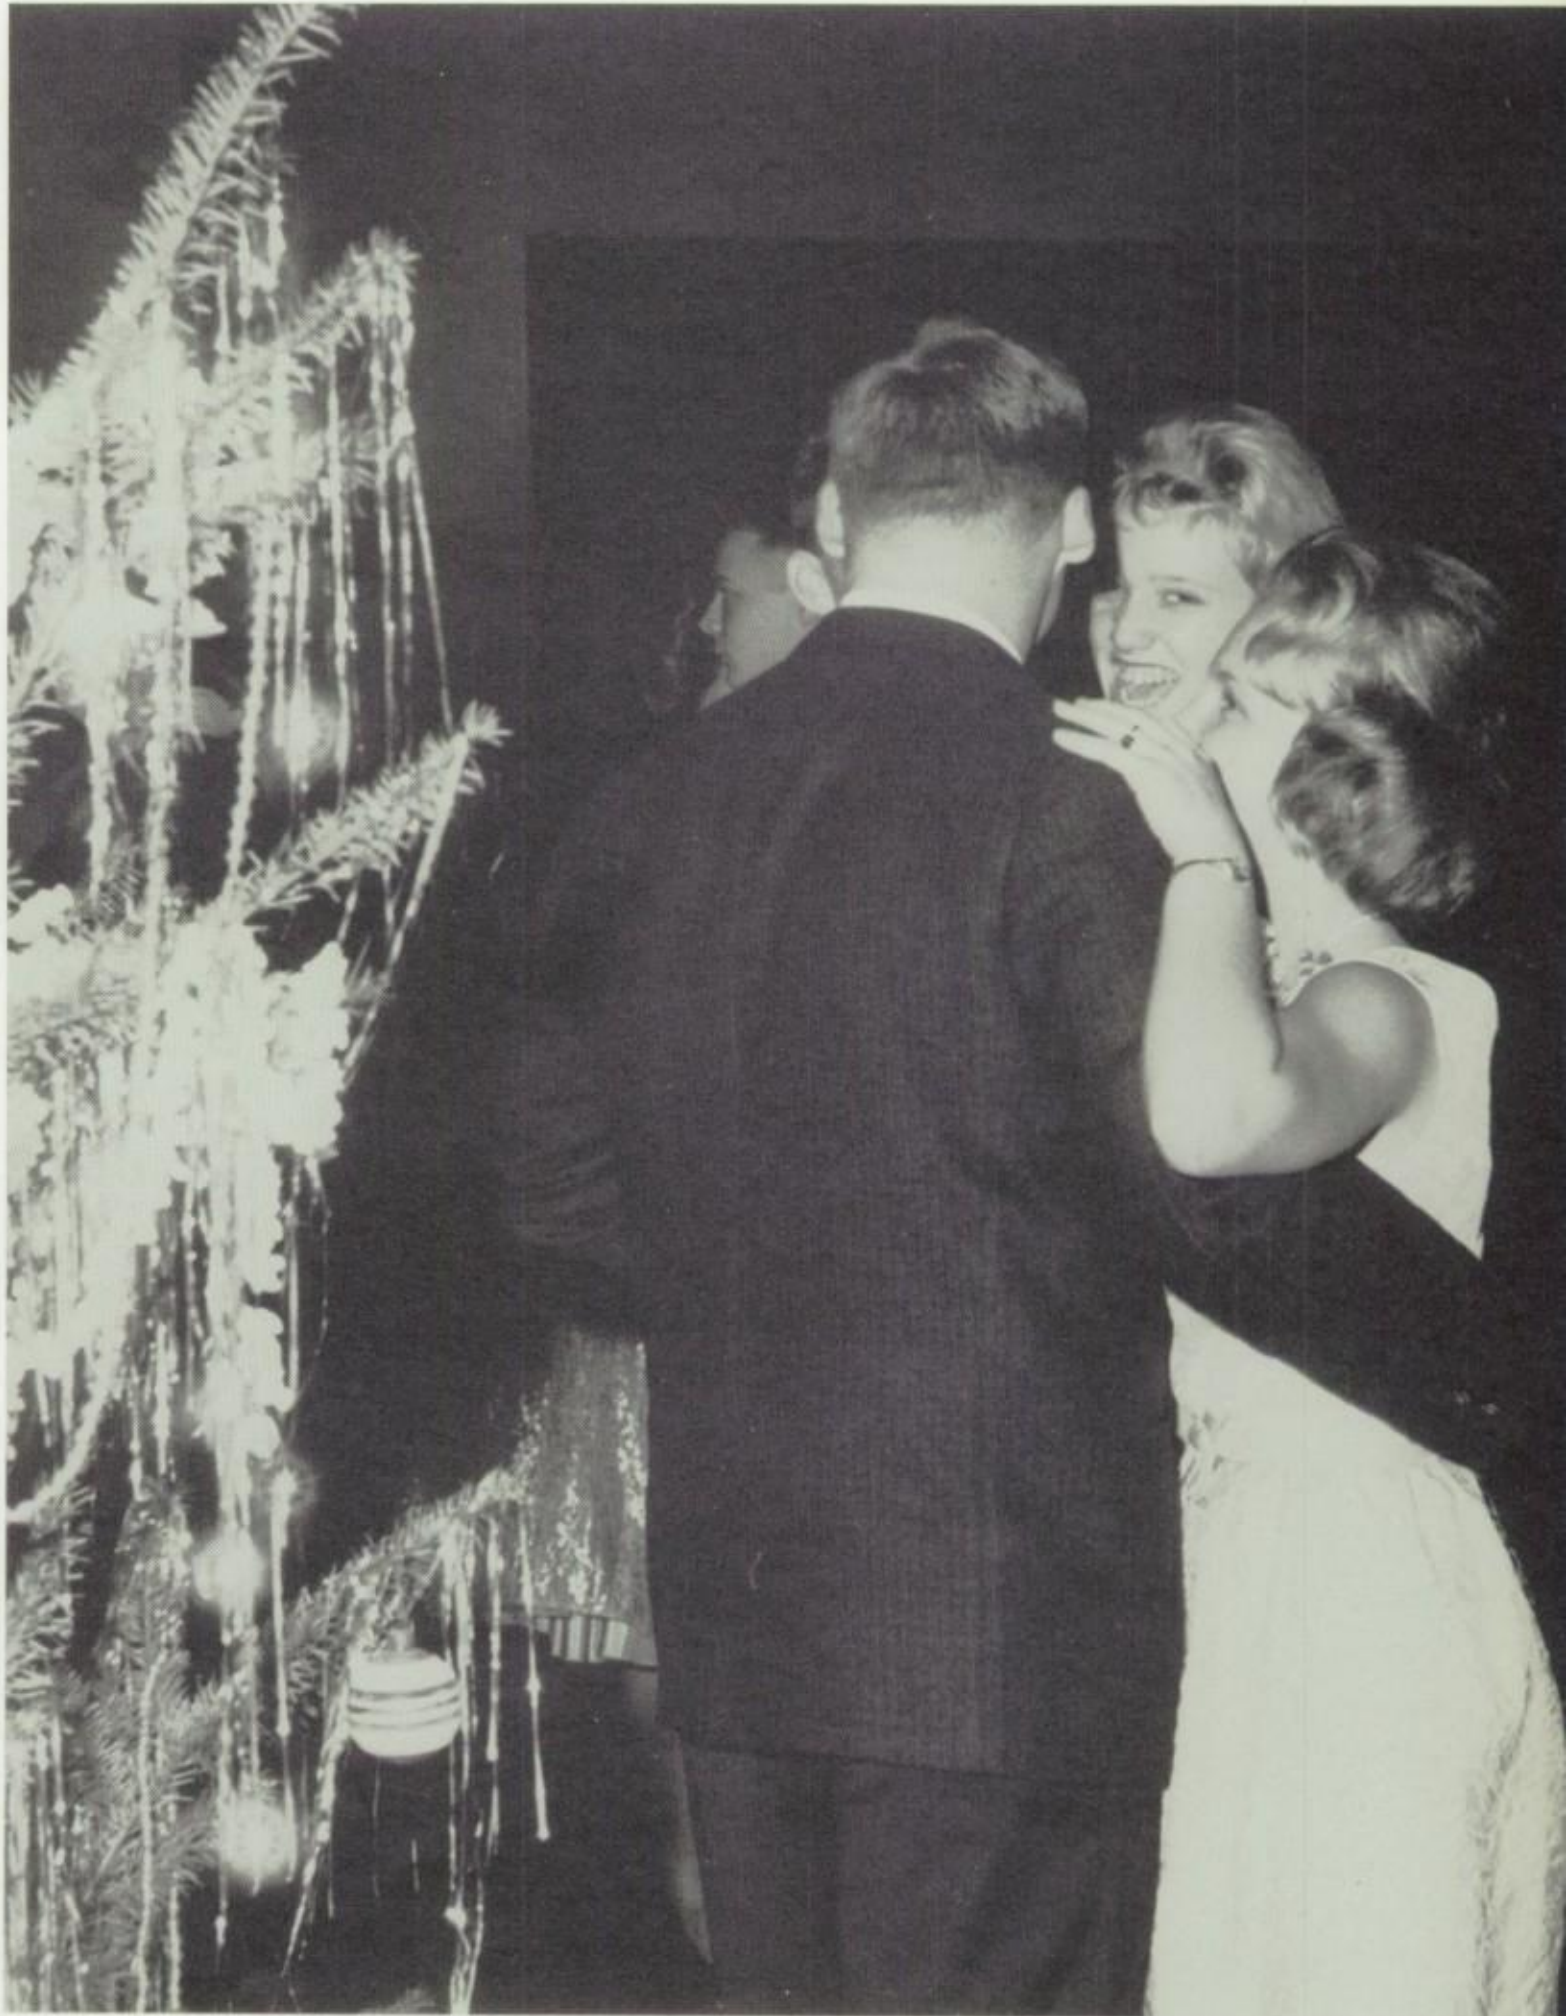

TYPIFYING OUR entire basketball season the team warms up with the circle footwork tapping the ball against the backboard and moving on.

# Awards, Formal Liven Winter Months

SENIORS, JUNIORS, and Sophomores joined together to enjoy the magic of the season at the Christmas Formal held Dec. 14.

# Play -- 'A Man Called Peter,'

NORFOLK SINGERS, Tom Dedrick, Anna DeHoag, and Rick Washburn sing "Lone Pine Ridge," written by Rick, in the ASB sponsored Hootenanny.

# Hoot Provide Entertainment

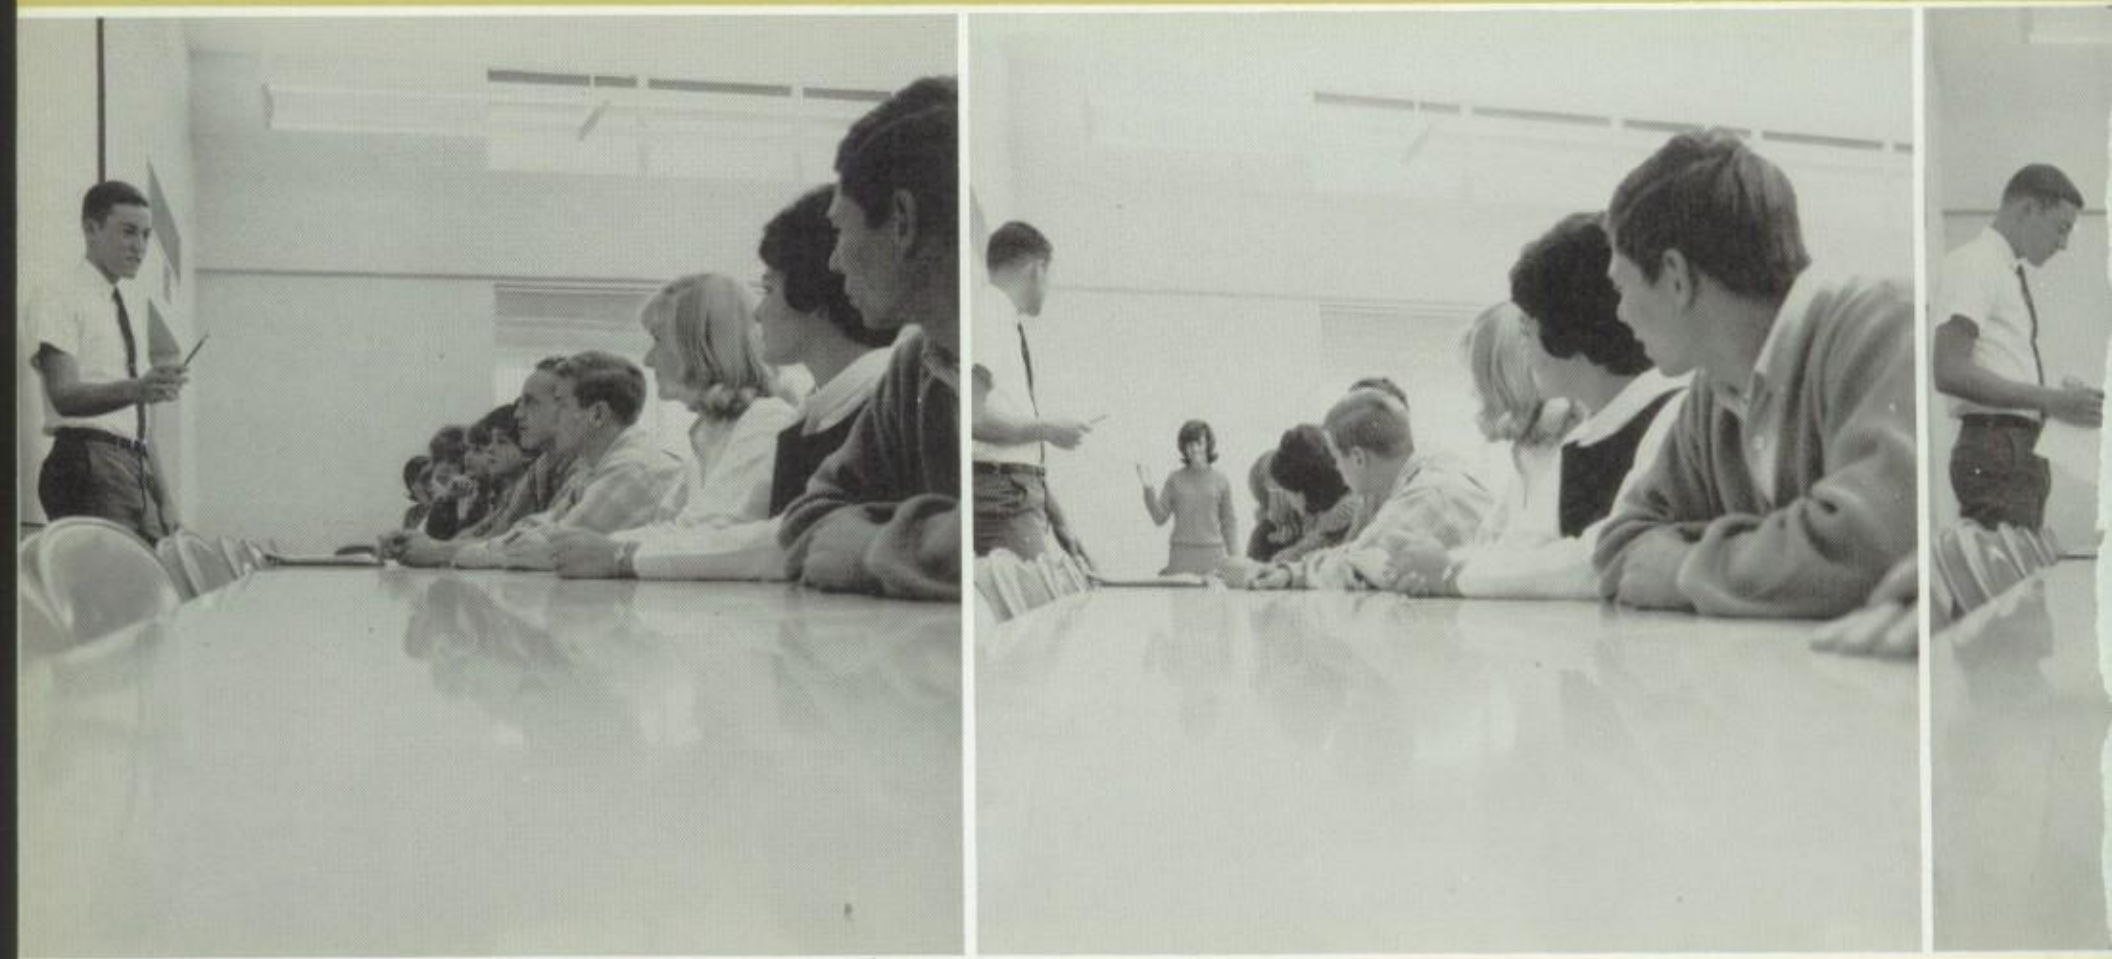

GAYLE PETTY and Fred Gerritz act out emotion-filled scene in "A Man Called Peter."

MAGNOLIA'S VICTORY Flag flew many times throughout the year of action as many athletic teams brought recognition to the MHS campus.

# Our Government In

ROGER SEE, ASB Vice-President, directs the Senate as they discuss and eventually vote on one of the many questions brought before the group.

The action of our student government is often a passive thing. We cannot see or touch the thoughts that inspire our student leaders. We can only respect the work involved in making Magnolia a smooth functioning unit.

The accomplishments of our student government, however, are tangible. We enjoyed the fruits of their labors. We remember our first Homecoming celebration; the work of the Senior Executive committee and the annual Mr. Blossom Contest sponsored by the Boys' League Cabinet.

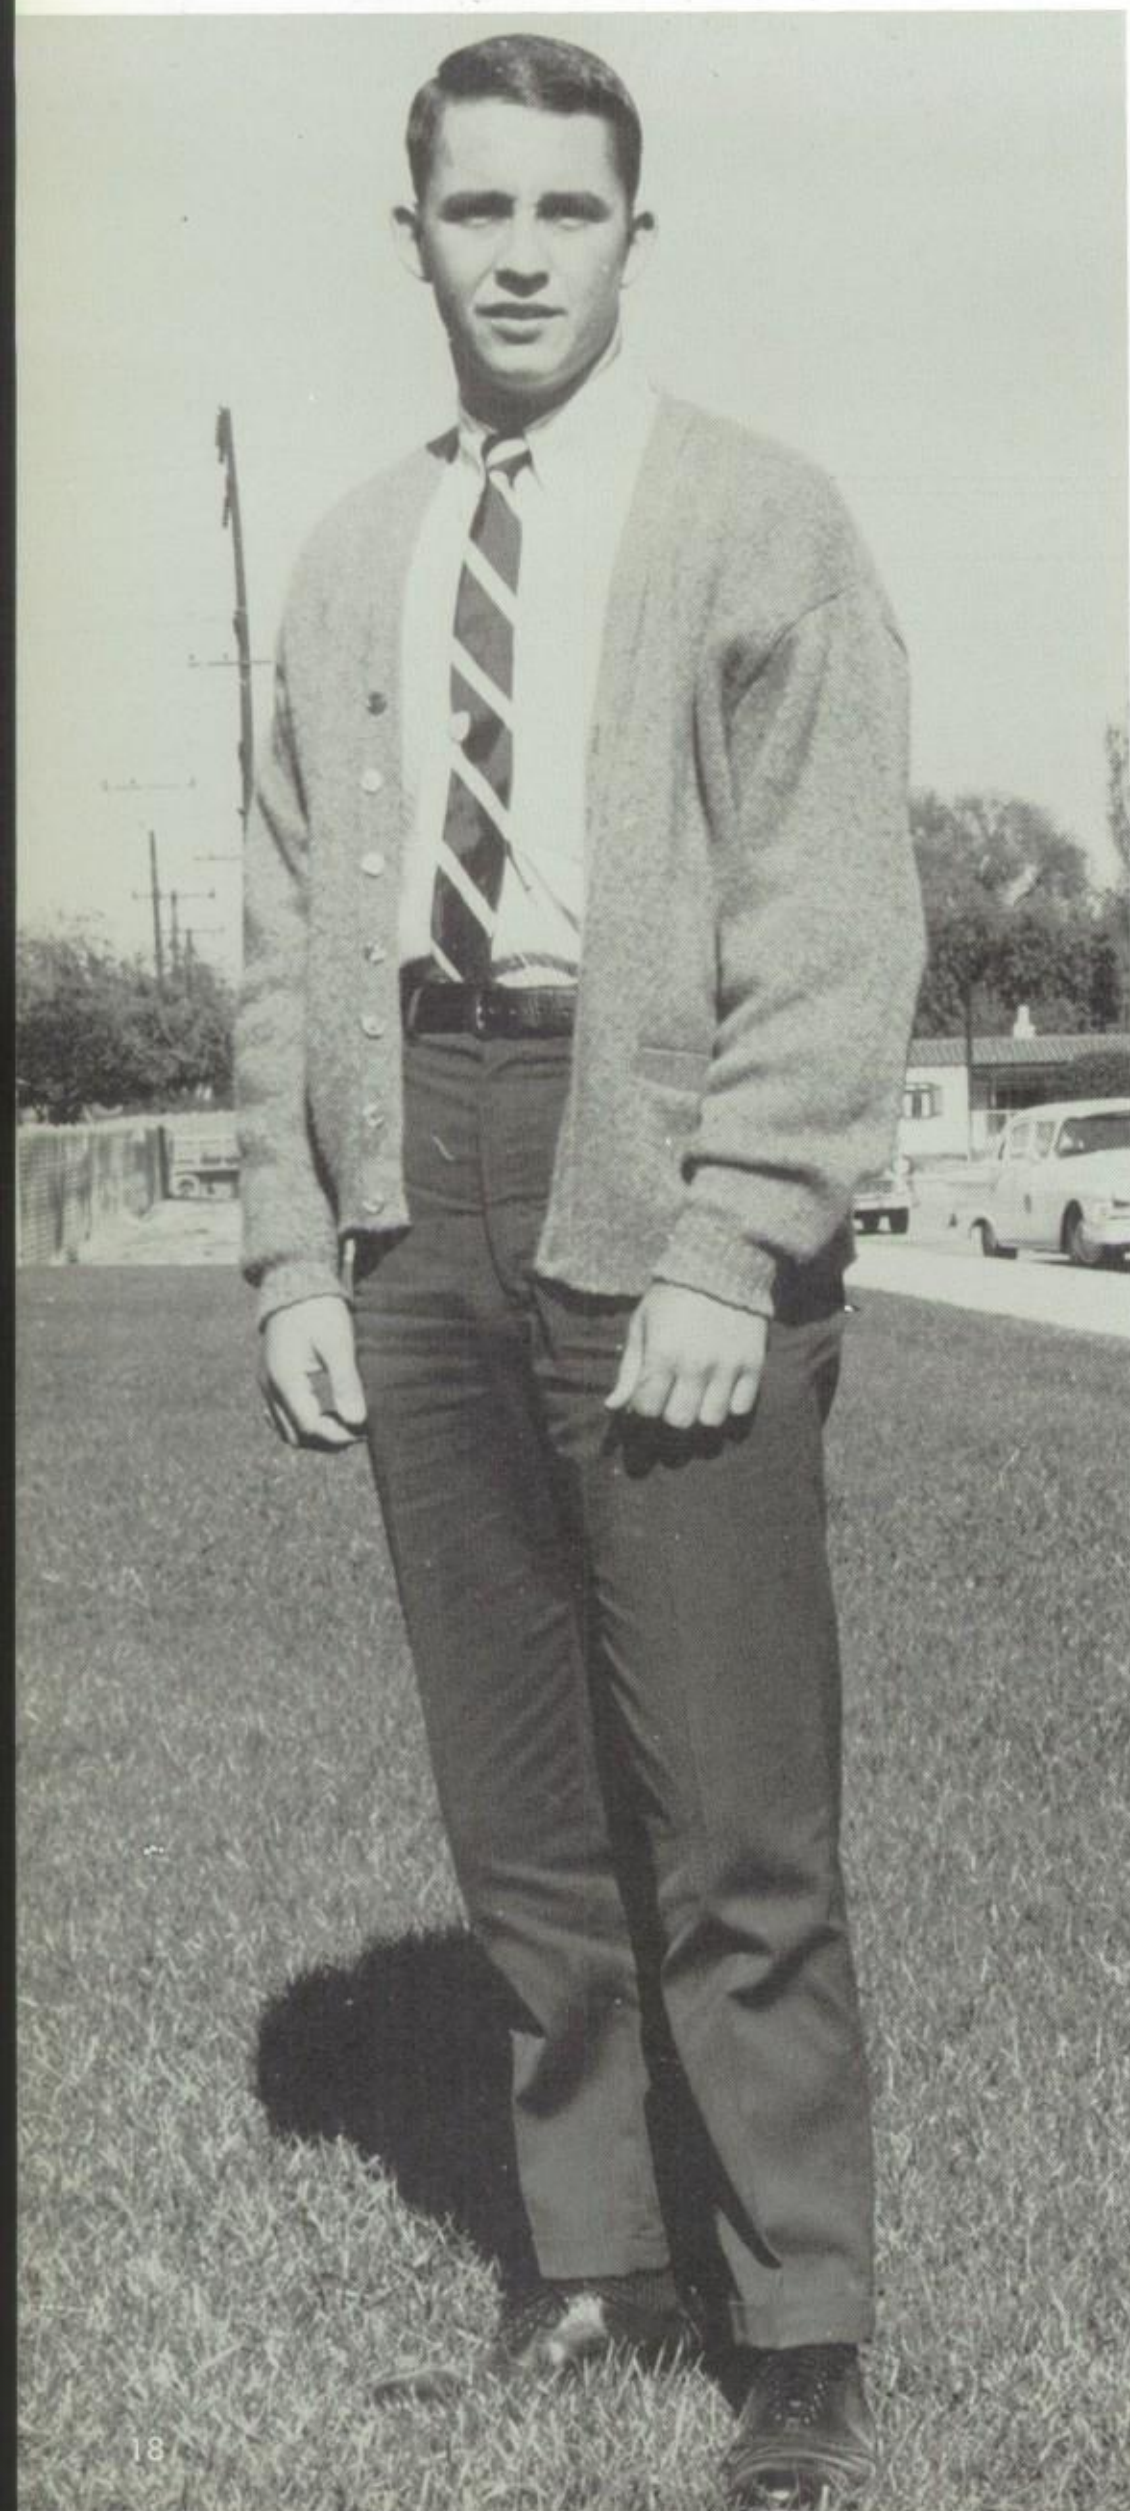

All the action of our year is led by our student leaders. Someone must take the incentive and these people met the challenges during our year of action.

# Wilson, See, Guide Active Students

Student Body President of Magnolia this year was Ken Wilson. In his capacity as President, Ken was responsible for presiding over the Student Body Cabinet and for representing the school at conferences throughout the year.

If we examine Ken Wilson's high school career we find a record of dedicated service to the school. We cannot ignore these deeds as we record the action of Ken's three years at Magnolia.

As a sophomore Ken served as a member of the Continental Congress. This group was responsible for writing our first Constitution and for pulling together the varied interests on our campus. On the sports scene, Ken participated on the B Football team and was a varsity Baseball player.

In his junior year, Ken was elected Junior Class President. In this office Ken found heavy responsibility. He was called upon not only to lead his class but also to head the Junior-Senior Prom committee. This committee was responsible for making our first Prom a success. Ken also found part of his time being taken up as a member of the Industrial Arts and Varsity "M" clubs. During this year Ken again earned a position on the Varsity Baseball team and was a starter on the Junior Varsity football team.

As a senior, Ken was one of the most active Sentinels on campus. He continued in his role as an active member of the Varsity "M" club. He participated in several conferences, and proved to be an outstanding representative of the students of Magnolia. As a starter on the Crestview League Championship Football team, Ken's defensive play earned him an honor as Hatchetman. Later, his fellow teammates voted him the Co-Most Improved Player.

Throughout his three years as a Sentinel, Ken Wilson has earned many honors and can truly be considered a great campus leader.

# Throughout Event Filled Third Year

Magnolia's Student Body Vice President for the 63-64 year was Roger See. Roger's duties as Vice President closely paralleled those of his namesake in the federal government. Roger sat in on Cabinet meetings and voted on any issues that came up. Roger accompanied the Cabinet to a three day leadership conference at California Western University in San Diego during the summer. As Vice President Roger automatically became President of the Senate and presided over all meetings of this law-making body.

Throughout Roger's high school career at Magnolia he showed an active interest in the student government, organizations, and sports of the school.

In his Sophomore year Roger was an active member of the Varsity "M" club. Roger was a starter on the Varsity Basketball team and earned honors as the Most Improved Player. Later in the year Roger earned a position on the Varsity Baseball team. Roger's skill as a scholar as well as a sportsman was proved when he was accepted into the Honor Society.

During his Junior year, Roger again pursued his athletic interests. His participation on the Varsity Basketball team and Junior Varsity Baseball team again led the way to his acceptance in the Varsity "M" club. Also during this year Roger See was elected to the House of Representatives. Here he gained the knowledge and experience necessary for his future role as Vice President.

Roger See's Senior year brought more achievements to his high school record. For his third straight year Roger played on the Varsity Basketball team and proved to be a star forward. In the spring Roger again played for Coach Ross' Baseball team.

As his high school career ends, Roger can look back on his three years at Magnolia and be proud of his many accomplishments as a Sentinel.

# In Administration of Campus Affairs

Magnolia's Student Body Cabinet is made up of seven people, hand picked for their jobs on a basis of ability and experience. Each member of the Cabinet represents a different phase of student life.

Elizabeth Guccione served as President of the Inter-Organizational Council. She was also one of our delegates to the California Association of Student Councils. As IOC President, she was responsible for co-ordinating the activities of the clubs on campus.

Danny Wilder, another CASC delegate, attended meetings of all the schools in Orange County. The CASC is pledged to provide communication and cooperation between all these schools.

Pat Forrester, Secretary of Student Morale, was also President of the Pep Club. In this capacity, Pat was responsible for keeping the Sentinel spirit high throughout the year.

MaryAnn Malven was appointed Secretary of Student Activities. Her job was to schedule and carry through all the various activities during the year.

Pat Conway was our Secretary of Assemblies. Pat's main job was to schedule, plan and solicit talent for our numerous assemblies. During our successful football season, she was responsible for working with the cheerleaders in planning pep assemblies.

Secretary of Publicity was Mary Pelfrey. As editor of the school newspaper, Mary displayed the necessary ability to make Magnolia and its activities known to the public.

Donna Emery was appointed Secretary-Treasurer of the Student Body. Working in close contact with the President, Ken Wilson, Donna proved to be an excellent stenographer, typist, and accountant.

Faculty advisor for the Cabinet was David Powers. Mr. Powers' presence at Cabinet meetings was one reason so much was accomplished during our year of action.

Danny Wilder  
CASC Delegate.

ROGER SEE calls for a vote as Seniors discuss a bill concerning the Clean Campus campaign.

# Under Direction of Vice President

Magnolia's Senate was one of the major governing bodies on the campus. It was through the Senate that a major portion of the rules of Magnolia came into effect.

The Senate functioned much the same as the United States Senate. Six senators were elected from each of the Senior, Sophomore and Junior classes. These eighteen people represented their classes and spoke for them on any issues that came up during the year.

Together with the House of Representatives, the Senate annually sponsors the Tahitian Stomp, an informal costume dance. It had become a tradition at Magnolia until this year when a lack of student interest caused it to be cancelled. It is hoped that it will be restored next year.

As Vice President of the student body, Roger See automatically became President of the Senate. His duties included presiding over meetings of the Senate and representing this group at meetings of other governing bodies. Sandi Haider was appointed Secretary of the Senate. Her duties included writing and mimeographing the minutes of Senate meetings. The Senate was under the advisorship of Activities Director David Powers. Mr. Powers' guidance was one reason that the Senate enjoyed a successful year.

SENATE PRESIDENT Roger See and Secretary Sandi Haider prepare a bill for a future meeting of the Senate.

# House of Representatives Elects Ray

Direct representation of the people is the basis of our Federal government and it is on this theory that our House of Representatives is based. Representatives were elected from each of the group guidance classes and were responsible for carrying information back to these classes. The Representatives also voiced the opinions of the students when a vote was necessary.

Representatives of the Senior class had a big job this year as they worked with the Booster Club to decide on the theme and the band for the Grad-Night Party. This was a major task as votes had to be taken at Magnolia and also at Savanna High School. The Seniors finally decided on "Adventures in Paradise" as the theme for the annual Senior fling.

The House worked with Senate and the Cabinet in organizing a Clean Campus campaign. This all school project was designed to promote a neater and more respectable campus.

The House of Representatives elected Ray Thomas to serve as President for the 1963-64 year. Ray did an outstanding job as the head of this all important governing body. The Representatives elected Grace Scalzo to serve as Secretary of the House and she worked with Ray to make the minutes of the meetings known to all. Under the direction of Mr. Powers, they served as administrators for the House of Representatives.

REPRESENTATIVES FOCUS their attention on Senior LaVerne Pekarek as she discusses the upcoming Mardi Gras.

Mike Cochrane  
Senior Class President

Leading each of the classes on the campus was the responsibility of the class officers. Senior Class officers were Mike Cochrane, President, and Bernie Schneider, Vice President. Junior Class officers were Mike Teranna, President, and Paul Pierson, Vice President. Sophomore Class officers were Larry Brankov, President, and Kathy Spencer, Vice President.

In October each of the classes participated in the Halloween Candy Sale. This was an inter-class competition which saw the Juniors beat out both the Sophomores and the Seniors.

The Senior Class was in charge of the Christmas formal, and also our first Homecoming Dance. The Junior Class sponsored the Junior-Senior Prom while the always active Sophomores staged our first Mardi Gras.

D. Stoner, J. LaBelle, L. Hooker. BOTTOM ROW: M. Capurro, R. Wilkins, J. McArthur, G. Leftkowicz, S. Black, J. Clarke.

Our very active Boys' League started this year off big by sponsoring one of our post-game dances in the fall. Throughout the year they continued to back numerous activities and perform various services for the school.

Magnolia's annual Mr. Blossom contest was again sponsored by the Boys' League. This contest is designed to select the "most popular" boy on campus as well as to earn money for the League's treasury. Every student had an opportunity to vote for his favorite candidate as votes came cheap at a penny a piece.

The Boys' League was also responsible for the annual slave sale where individual student body officers were auctioned off to the highest bidder. Each slave was expected to fulfill one full school day in bondage and carrying out the duties assigned by his respective master. The aftermath of this sale proved to be a riot as campus leaders were seen performing menial tasks.

The Boys' League initiated a new tradition this year as they spent hours decorating the gym before the Savanna pep assembly. As our Football team went into CIF competition, the League continued to add support by decorating the gym before the assemblies.

The Boys' League is under the sponsorship of Mr. Robert Carlberg. Its elected officers are Jim McArthur, President, George Leftkowicz, Vice President, and Steve Black, Secretary-Treasurer.

# Girls' League Dress Board Attempts

GIRLS' LEAGUE CABINET—TOP ROW: S. Bradley, J. Kurai, M. Pelfrey, P. Nerison, D. Gottschalk, L. Rogers. SECOND ROW: P. Forrester, D. Cordova, R. Ochwat, L. Darnell, W. Gozcewski, N. Enright, J. Swartz,

L. Harris, T. Leon, K. Germain, B. Lehmer, M. Malven, G. Doolen, Vice President, G. Scalzo, J. Elliot, L. Anderson.

Magnolia's Girls' League is one of the most outstanding organizations on the campus. The Cabinet and the Dress Board worked through the year to stabilize the standards of Magnolia's girls.

During the summer, in early September, the Girls' League sponsored the Big and Little Sister Party in which the incoming sophomores were introduced and became acquainted with the upperclassmen.

In October the girls held their annual "Date With Dad" night. The girls and their fathers first attended a banquet at the Stratford House and then went on to La Palma Stadium to watch the football game with Garden Grove. Participants in this event agree that it is one of the best activities of the year.

As Christmas grew near, the Girls' League again sponsored the yearly "Toys for Tots" campaign. This charity drive is designed to provide Christmas presents for underprivileged children in Orange County.

In March the Girls' and Boys' League held their annual exchange assemblies. These entertaining assemblies have always proved to be a highlight of the year and much work goes into the staging of them.

The Girls' League functioned under the sponsorship of Mrs. Betty Ackerman. Its elected officers for the 1963-64 year were Sally Long, President, Gloria Doolen, Vice President, Jackie Elliot, Secretary, and Becky Lehmer, Treasurer.

# Our Student Body In

KATIE GERMAIN, Reaunell Eskridge, and Mike Van Fossen portray the Jones family in the all-school play "Years Ago" presented December 7, at the Anaheim High School Auditorium.

The student body of Magnolia is a group of young men and women working together to achieve a similar goal. Each student has his own desires and fulfills them in different ways. Each person has his own interests. No matter what the interests may be an outlet was founded during the past year for each Sentinel.

Those who enjoy dramatics were invited to participate in the two all-school plays. The very industrious sold candy during the pre-Halloween candy sale. This candy sale made over \$2,000 for the student body fund. With the money the student body purchased a trailer for the student store.

The accomplishments of each student were achieved through the efforts of the individual. Each Sentinel worked to make his own year complete. What each student did during the year was that person's own personal action. It was through these people that the days and months of action lapsed into a worthwhile year of action.

# Artistic Seniors Express Themselves

JANE SAKAHARA made this modern giraffe out of plaster of paris in her Art III class.

THIS PENCIL drawing of "Lone Willow" is a creation of Senior Joann Michalik in Art III.

THIS WATER color landscape was painted by Senior Janette Hampton, an Art III student.

# Through the Creative World of Art

"THE ROOSTER" made of plaster of paris was constructed by Cheryl Heislar, an Art III student.

LESLIE RICHARDSON created "Humility," a tissue paper collage, in her Art I class.

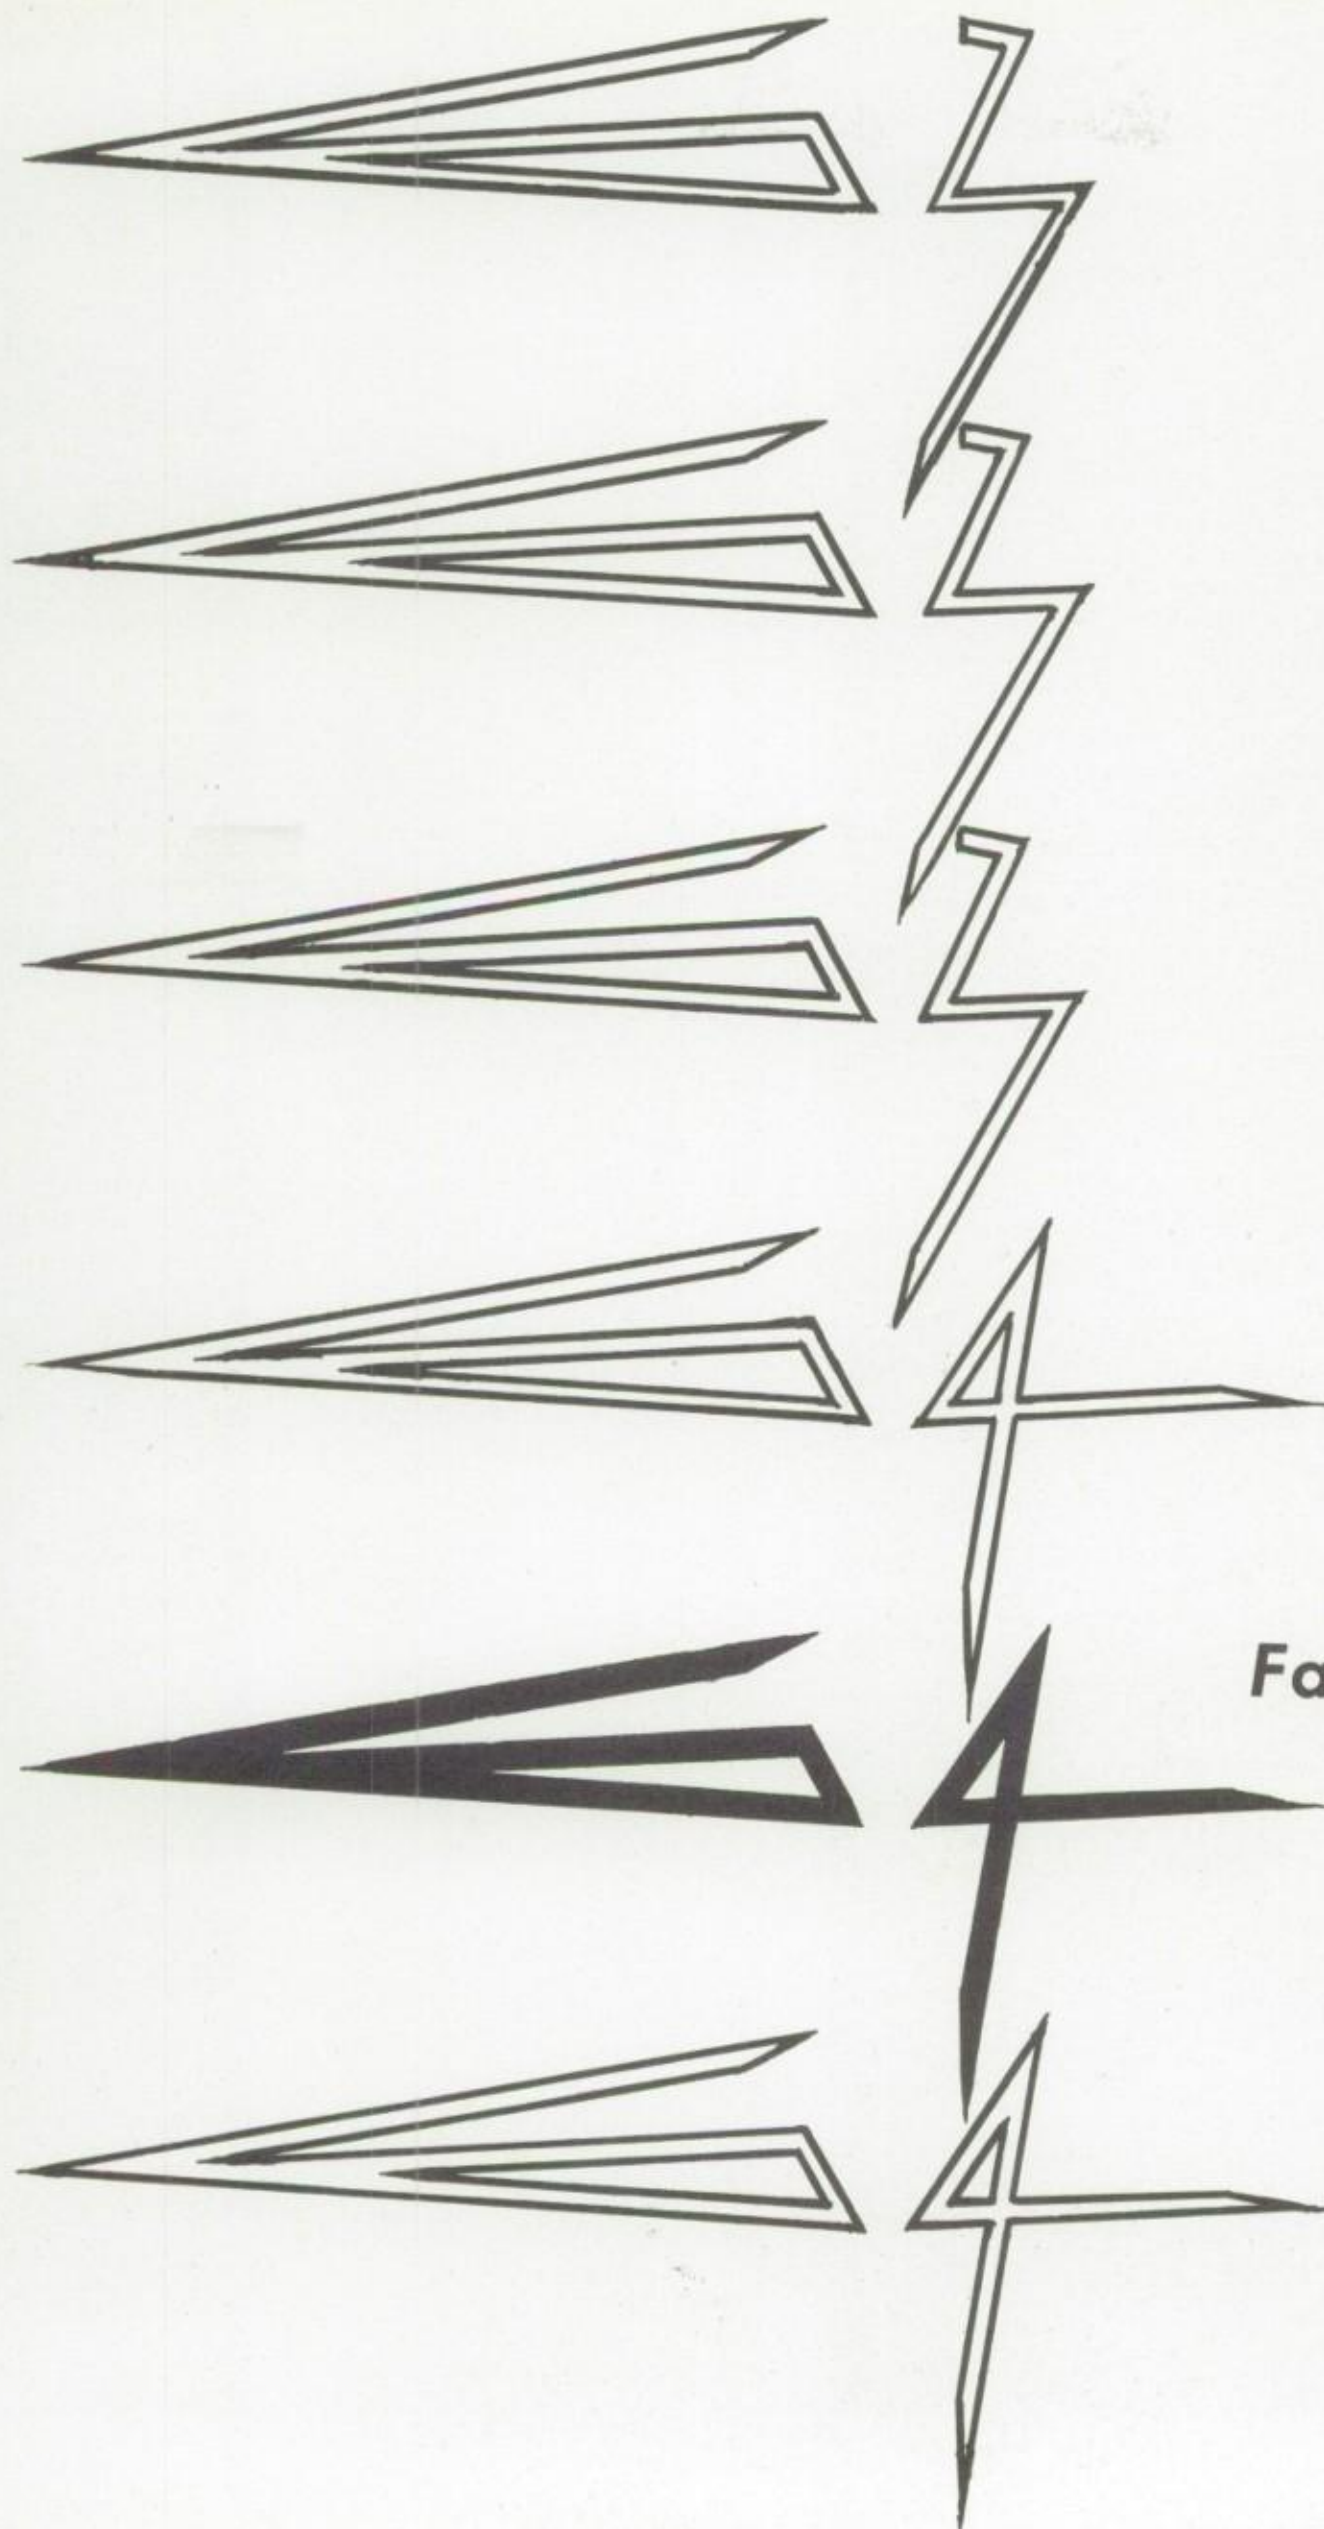

SANDY MIXON, in her Art III class, created this water color scene.

Throughout the history of Magnolia, Seniors have been noted for outstanding performances in such areas as athletics, academic honors, drama, and leadership. There is, however, another area in which Seniors have proved themselves superior and that is in the creative world of art. The work put out by these gifted Seniors truly deserves recognition and appreciation.

# Drive to Raise Money for '65' Prom

SOPHOMORE CLASS President Larry Brankov heads the Senate, Sue Brindle, Nancy Valerie, Gayle Fox, Charles Hipp, Alan Olsen, and Paul Cascio in planning the Sophomore year activities. The Sophomores had a bottle drive and a Mardi Gras dance to raise money for next year's Junior-Senior Prom. The Senate aided in distributing the Halloween candy for the all school candy sale in which the Sophomore class came in second.

# Our Organizations In

ORGANIZATIONS EDITOR, Elizabeth Guccione, and Dean Hesketh of Renwood Studio organize the group picture of IOC. Clubs' year began by having yearbook pictures taken.

Through the actions of our many organizations all Sentinels were able to pursue their own interests. Our campus housed enough clubs and organizations to satisfy any student's craving for knowledge.

These organizations proved to be an active part of student life. Every day students could be seen hurrying off to club meetings. Many of these clubs served as stepping stones to individual careers. The Medical Careers Club, Future Teachers of America and others helped bring our students closer to their chosen profession.

Other organizations brought support to our active year. The Pep Club and Varsity "M" Club devoted their time to bettering the school.

The others, too numerous to mention, also brought proud accomplishments to Magnolia. These accomplishments were made possible by the action of the student members. Their deeds mark them as part of our year of action.

# IOC Co-ordinates Club Activities as

## INTER-ORGANIZATIONAL COUNCIL

TOP ROW: J. Haber, D. Rudolph, M. Cochrane, S. Peringer, D. MacKinnon, W. Golonka. SECOND ROW: S. Schwartz, G. Doolen, G. Page, D. Lind, M. Pelfrey, P. Forrester. THIRD ROW: S. Klemm, A. Moses, E. Guccione, M. Stocks, R. Eskridge, J. Wagner. FOURTH ROW: W. Ledergerber, L. Sanders, R. Goldman, B. Niccum.

IOC PRESIDENT, Elizabeth Guccione, presides over a business meeting. Members from left to right are Greg Page, Walt Ledergerber, Larry Sanders, Bob Niccum, Ken Garrett, Pat Forrester, and Joyce Wagner.

Magnolia's Inter-Organizational Council, finishing its second active year, has worked to coordinate the campus clubs and organizations. The council is composed of the president or representatives of the organizations who work to bring about better communications between the clubs. Under the leadership of President Elizabeth Guccione, the council has strived to make the clubs on campus an integral part of school life with something to offer to each and every student. In advancing the work done last year, the mailboxes for inter-club communication have been put to even more effective use. This year support has been given to each club's activities by the other clubs, bringing about mutual respect and understanding. As the year comes to a close, the council can look back with pride on its accomplishments, including further help with the landscaping and the establishing of many new organizations to carry on the traditions of Magnolia.

AMERICAN FIELD SERVICE—TOP ROW: J. Johnson, M. Sweger, B. Peugh, P. Herzberg, W. Ledergerber, B. Allister, D. Rudolph, C. Mayer, L. Woods, K. Viljo, M. DuClusan. SECOND ROW: J. Samelak, J. Wagner, J. Hastings, L. Rogers, M. Pelfrey, M. DeAvila, S. Harrie, L. Harris, S. Schwartz, K. Mead, R. Boyle, M. Corbin, M. Baker, Mrs. Charbonneau, advisor, M. Van

Fossen. THIRD ROW: S. Smith, J. Swartz, D. Ennis, M. Kim, J. Bornstein, C. Castillo, N. Congiano, N. Corona, J. Alvarez. BOTTOM ROW: P. Forrester, S. Johnson, A. Komaki, K. Komaki, E. Adams, J. Kurai, R. Eskridge, P. Wilson, E. Guccione.

Since 1961 when the American Field Service at Magnolia was first organized, the adult and student members have worked toward a common goal of furthering understanding and friendship between our country and the other countries of the world. From our two exchange students, hailing from the two opposite corners of the world, we have been able to learn of the different customs, cultures and way of life of our friends.

AFS has been able to finance the trip of these students by working the concessions at the football and basketball games, selling AFS bonds and student directories, and sponsoring the annual AFS dance. Working to coordinate these activities have been the President, Pat Forrester; Vice President, Marcia Baker; Secretary, Marlene DuClusan; and Treasurer, Mike Van Fossen, along with their advisor, Mrs. Charbonneau.

Other activities which have made the AFS such a success this year have been field trips to such places as the Huntington Library, the International Institute, and Forest Lawn. In addition to this they have given a Christmas Party, a surprise birthday party for Kaisa, and celebrated Chinese New Year.

MIKE VAN Fossen and other AFS members sell soft drinks and doughnuts at the basketball games.

# Through the Halls of Magnolia Ring

MEMBERS OF Lengua Latina form a Roman Senate. STANDING are L. Hickman, J. Bornstein, J. Swain, and B. Anderson. SEATED are G. Kiefer, R. Goldman, A. Sandeno, M. Willard, J. Swain, A. Niccum, and M. Kim.

LENGUA LATINA—TOP ROW: G. Kiefer, L. Prowse, R. Goldman, D. Lschannen, E. Loughery, D. Ferris, B. Thompson, B. Royal, L. Paciorek. SECOND ROW: B. Anderson, L. Tomasulo, P. Cascio, K. Clausen, D. Krausfeldt, K. Hauck, M. Omiecznski, D. McMillan, L. Hickman. BOTTOM ROW: N. Niccum, J. Swain, J. Swain, A. Sandeno, M. Willard, J. Bornstein, P. Ecklund, M. Kim.

Lengua Latina, as the Magnolia Latin Club is called, furthers the student's interests in the language which the Roman civilization gave to our Western Culture. As the students of the Latin Language have learned, Latin is the basic "Mother Tongue" of many of the European languages. The members have learned that Latin has greatly influenced the fields of Literature, Science, Music, Art, Philosophy and government.

Lengua Latina is under the advisorship of Mr. Donald Svehla, who along with the officers: Anna Sandeno, president; Rick Goldman, vice president; Donna Krausfeldt, secretary; and Gary Kiefer, treasurer, has worked to help the students understand the importance of the Latin language.

Club activities for this year have included the traditional Latin banquet, where the dress of the evening is the Roman toga, and field trips to places influenced by the Roman civilization. These along with movies and talks on the Latin language have led to an interesting year for the Lengua Latina.

# the Foreign Sounds of Linguists

FRENCH CLUB—TOP ROW: G. Walker, B. Burns, R. Plummer, D. Potter, R. Ustruck, C. Freed, K. Vondriska, B. Store. SECOND ROW: Mr. Copenhaver, advisor, G. Stilwell, C. Kraemer, B. Rollins, S. Schwartz, G. Page, L. Sanders, J. Zirtzman, D. Frank, Miss Koch, advisor. BOTTOM ROW: J. Allison, R. Bemis, A. Richter, A. Jones, P. Hampton, L. Levandowski, J. Smith, T. Tucker, S. Allen.

Highlighting the year's activities for the French Club has been the inner-club play. The play, put on by the first and second year French students proved to be a great success and may become a pleasant tradition for the members of the club. The French Club is basically interested in advancing the understanding of the French culture rather than the language itself and one of the annual activities is a trip to acquaint the members with French cuisine.

For the French club an additional way of advancing the study of foreign culture is through the foreign exchange program. Funds are raised through the French Club's annual sucker sale and donated to AFS so that Magnolia will be able to finance the expenses of the foreign students.

Presiding over the club this year has been President Larry Sanders, and assisting him have been Greg Page, vice president; Gail Stilwell, secretary; and Sally Schwartz, treasurer.

FRENCH CLUB members, Sally Schwartz, Barbara Rollins, and Mary Pelfrey buy suckers from President Larry Sanders.

# Language Clubs Thrive on Enriching

Der Freundschaftsverein, better known as the German Club, has carried on an active and enjoyable year. Among their many activities have been meetings held at the home of their advisor, Mrs. Hildegard Evans, where her recent trip to Germany was discussed along with many facets of German culture. Highlighting these meetings was the initiation of new members which proved to be quite hilarious.

In order to improve their understanding of the German language, they spoke only German at these get-togethers. A special project of theirs has been the recording of tapes in German to exchange with German students their own age.

This, along with the German evening they presented in the Spring to the student body, has brought the German Club into view as one of the most interesting clubs on campus.

The officers of Der Freundschaftsverein have been Bob Niccum, president; Calvin Olsen, vice president; Amy Sneyd, secretary; and Jerry Haber, treasurer.

GERMAN CLUB initiafes, Fred Wilferth and Katie Germaine go through the paces of pushing peanuts with their noses as two other official "members" Bob Niccum and Joyce Wilensky watch with uncontrollable laughter.

Hablan espanol Uds.? If you do and you enjoy studying the culture and people of a foreign country, the Spanish Club is for you. Magnolia's Spanish Club this year has had a busy schedule with activities covering such events as a field trip to Olvera Street, a Spanish language contest, and in the Spring, a banquet summing up the year's activities.

The members of the Spanish Club under the leadership of President Sharon Klemm, have enriched their understanding of the Spanish-speaking countries through these activities and field trips to places of Spanish heritage. Assisting Sharon have been the other officers, Anna DeHoag, vice president; Pam Willis, secretary; and Leslie Selff, treasurer. Their advisor for this year has been Miss Arminda Zelaya. They have worked to further student interest in the Spanish languages and the field trip to Olvera Street, where the charm of Early California is ever present in the little shops and stands, was a good example of the interest shown by the Magnolia club.

SPANISH CLUB members, Sharon Klemm, Marianne Stocks, Pam Willis, Leslie Selff, and Anna DeHoog study up on their Spanish with the help of Readers' Digest written in Spanish.

# Drama and Pep Work

PAUL HERZBERG takes publicity pictures of Katie Germaine, Mike Van Fossen, and Reaunell Eskridge for the Drama Club.

Under the leadership of that zany comedian, Marianne Stocks, the Drama Club has become a favorite among the Sentinels. Without the Drama Club, many of the plays presented this year would never have gone into production. The Drama Club gets everyone into the act by having those people who are not acting, help with the scenery, by painting flats if they're artistic, or helping with the lighting, make-up or props.

Drama Club provides the stage crew and works on the production of all school plays. They are guided by their advisor Mr. William Bottolfson, whose acting and dramatic ability earned him the honor of being the head of the Drama department.

An extra activity of the club was the annual Sadie Hawkins Dance where a gal could snag her best beau and git hitched by marryin' Sam. This is an annual affair, much to the delight of the ladies on campus.

Working with Marianne this year have been Mike Van Fossen, vice president; Katie Germaine, secretary; and Reaunell Eskridge, treasurer.

PEP SQUAD members perform at Santiago Pep assembly.

Magnolia's official rooting section, the "Sentinel Soundoffs," have shown a lot of pep and spirit this year. The pep squad under the leadership of Pat Forrester, President, has had the goal of promoting school spirit to the utmost.

During the football season, the soundoffs joined with the song and yell leaders in making posters to publicize the games, and at the games the Magnolia "M" could be seen in the yellow pom-poms. The students sitting in the official pep squad section wore the official dress of black skirts and gold blouses.

One of the year's highlights was their presentation of a skit at the pep assembly preceding the football game with the Santiago Cavaliers. Hilarity prevailed as the pep club members went through their paces. During the basketball season Magnolia was one of the few schools in Orange County to attempt a flash card section. Assisting Pat have been Lynn Anderson, vice president, and Karen Kline, treasurer.

# Profitable Sentinel Organization

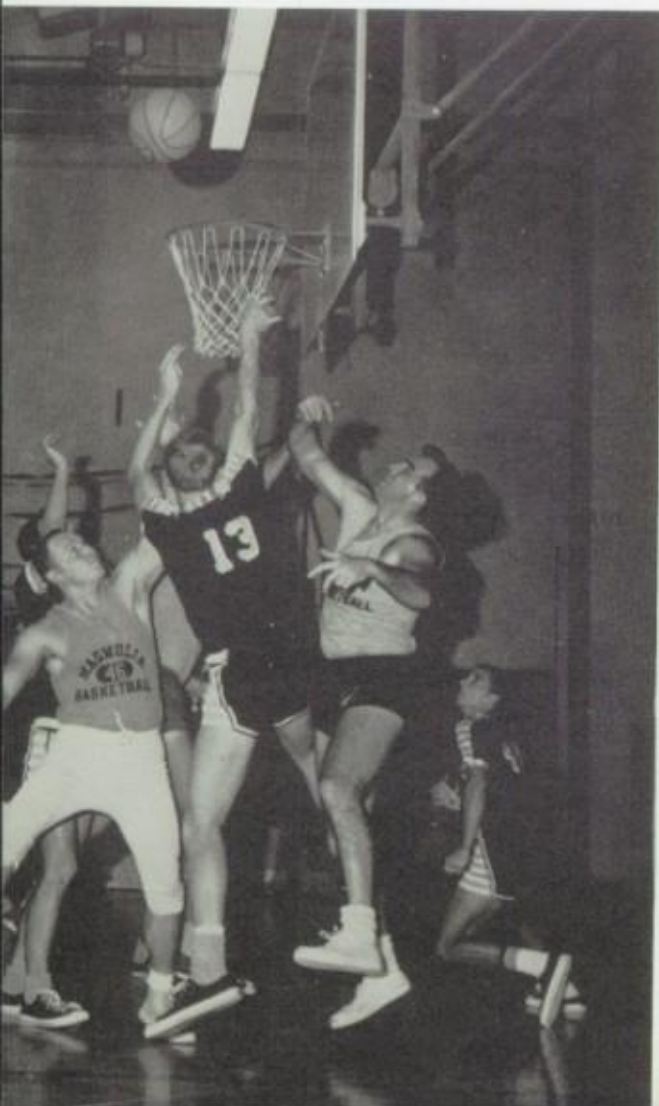

Varsity athletes lettering in Football, Basketball, Track, Baseball, Cross Country, Swimming, Water Polo, Tennis, Wrestling, Gymnastics and Golf have comprised the Varsity "M" Club this year. The lettermen have functioned for the purpose of promoting school spirit through athletics, school service, and assistance for the athletic department.

Mike Cochrane has presided over the club this year with Jerry Aguinaga serving as Vice President, and Bernie Schneider as Secretary-Treasurer.

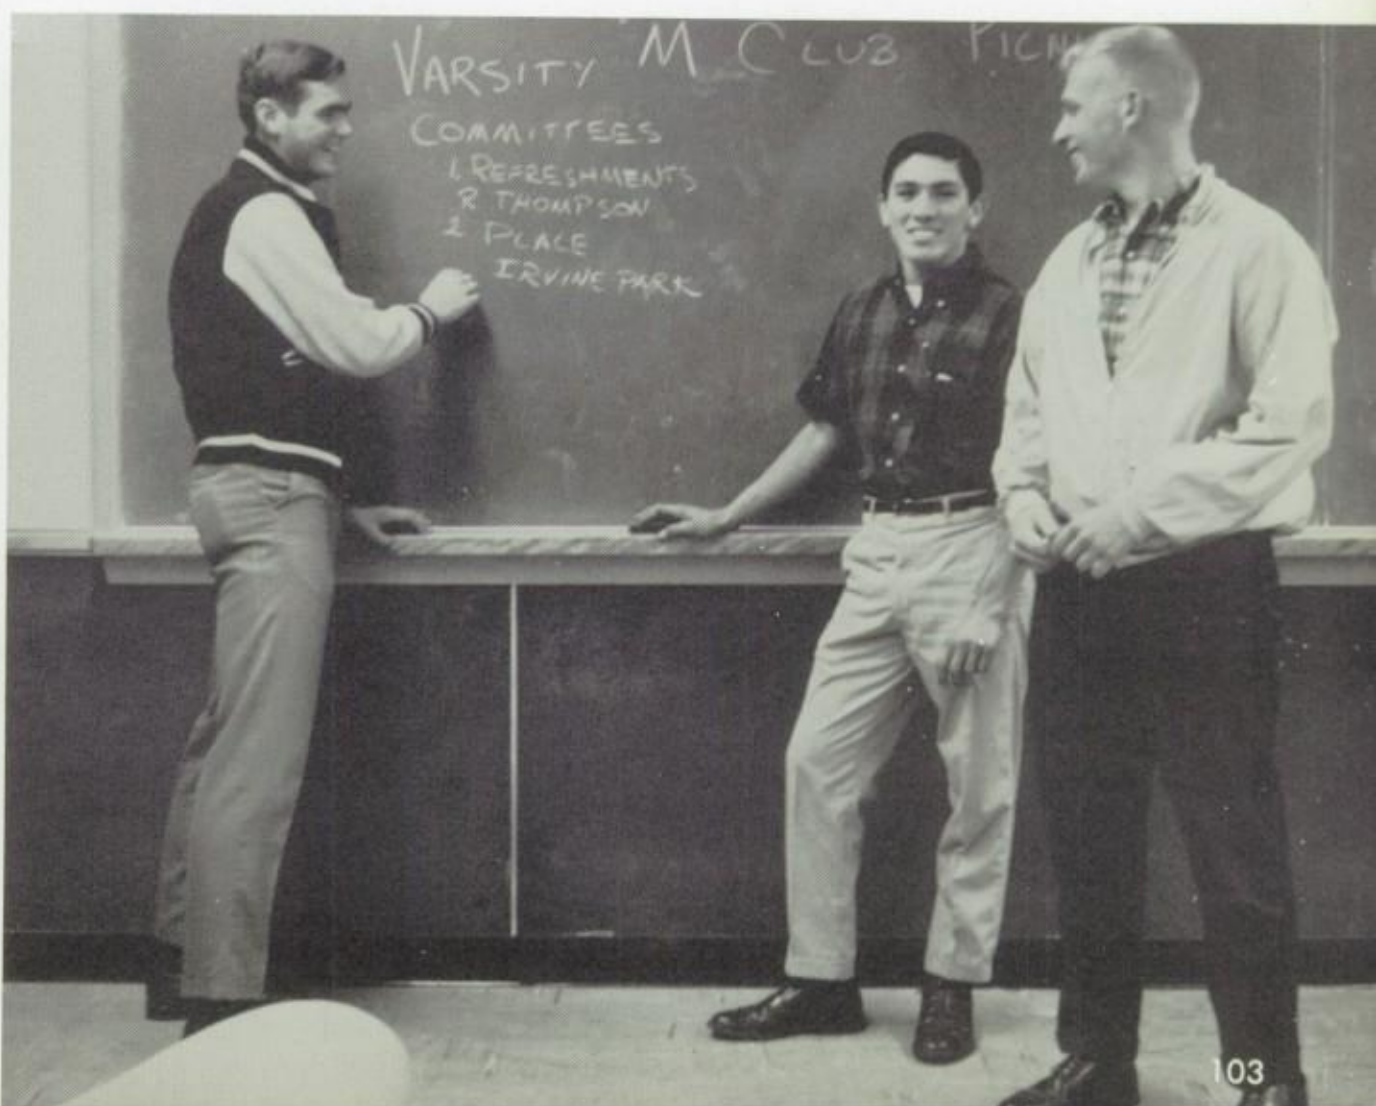

Many activities have been sponsored by the lettermen, including the annual Varsity-Faculty basketball game played early in the school year, where the Varsity edged out the faculty by two points. The lettermen also sponsored the game between the world famous Harlem Clowns and the faculty "Hotshots" which proved to be a rip-roaring success.

A joint candy sale held with the GAA added profits to the treasury and a picnic for the lettermen and their dates brought the busy year to a climax for the Varsity "M" Club, whose sponsors have been Coach Lent and Coach Gray.

VARSITY-FACULTY basketball games are sponsored by the Varsity Club.

VARSITY CLUB officers Mike Cochrane, president; Jerry Aguinaga, vice president; and Bernie Schneider, secretary-treasurer, make plans for the Varsity Club picnic.

Sponsored by the Kiwanis of Southwest Anaheim, the Magnolia Key Club has been the most active club on campus. Key Club was in charge of the pizza sales at all the home football games, and sold balloons at the Savanna football game. They have hosted inter-school meetings with Western and Savanna High Schools and many social events have been held within the club.

Don Rudolph has served as President this year, and the other officers have been: Mike Deck, vice president; Paul Pierson, secretary; Dan Wilder, treasurer; and committee chairmen, Gabe Loya, Richard Thompson, Tom Dedrick, Joe Foster, and Bernie Schneider. The Key Club formed the organizing body for the girls' service club, the Keymates, and the two groups working together have painted trash-cans, and collected canned goods for the Salvation Army.

Magnolia's Key Club has also tried to carry out six main purposes, these being to develop initiative; to provide experience in living and working together; to serve the school and community; to cooperate with the school principal; to prepare for useful citizenship; and to develop their minds. Key Club's advisor for the year has been Mr. Louis Reichman who has helped the club carry out its motto of "We Build."

# Keymates and FBLA Give Service to

Keymates, the newest service club on campus, whose membership is open to girls only, was organized as one of the projects of the well-known Key Club.

Off to an active start, members worked with the Key Club in several projects at school before breaking off onto their own projects at school and in the community.

Paint was everywhere when the Keymates joined the Key Club to repaint the school trashcans. A picnic lunch rounded out the afternoon of work and fun. The rays of the sun had long since set when the two groups joined forces once more to collect canned foods to be donated to the Salvation Army for Christmas baskets.

Sally Schwartz has presided over the Keymates in their first year. Assisting her have been Berni Engle, vice president; Cathy Haring, secretary; and Elizabeth Guccione, treasurer.

Members of the Keymates served as usherettes for the all-school play, "A Man Called Peter," and have been on call for helping at school functions.

Social activities have also been high on the list of Keymates activities. Fun and games with plenty of food were on the agenda at the picnic held at Irvine Park, and an exchange meeting was held with the girls' service club at Savanna.

Mrs. Lois Clifton has served as advisor, and with her help, the Keymates have established themselves as one of the best clubs on campus.

During the '63-'64 school year the Future Business Leaders of America, Magnolia Chapter, has supplemented its many activities by attending three FBLA conferences. These were the Youth Conference Convention, the FBLA Convention at Orange Coast College, and the State Convention which was held at Yosemite National Park.

They started out their year of activities with the installation of officers. Those taking office this year were Margaret Lindner, president; Wally Golonka, vice president; Darlene Cordova, secretary; Nancy Enright, treasurer; Bruce Anderson, reporter; Bonnie Nelson, parliamentarian; and Karen Komaki, Committee Chairman. Mr. Embree and Mrs. Cochrane have assisted the club in the capacity of advisors.

The FBLA has also served the community as well as Magnolia High School. During Christmas time, they gave money and food to needy families and at school they have sold items from the student store and jewelry of Magnolia to the students on campus.

One of the highlights of the year was the snow trip where happy FBLA members resolved to make it an annual affair.

Through the cooperation of Dr. Thomas Dorsey of Garden Park Hospital, many of the members of the Medical Careers Club have been able to participate in stimulating programs dealing with medicine. Along with this, the club has taken field trips to such places as the medical centers at UCLA and USC and other medical schools. The field trips and discussions with doctors have provided for the club members a look into what might possibly be their future.

The Medical Careers Club tries to acquaint its members with as many varying fields of medicine as possible, touching on such fields as nursing, medicine, radiology, and many others.

Miss Carolyn Cislighi, the school nurse, has served as advisor for the club this year and her background has been a reliable source for answering many questions concerning medicine.

Walter Ledergerber has presided over the club this year and assisting him have been Gloria Keats, vice president; Margaret Sweger, secretary; and Kit Bearman, treasurer.

# Others Contemplate Medical Careers

To realize high standards of scholarship, service and citizenship on the part of the students of Magnolia is the chief aim of CSF. The California Scholarship Federation of Magnolia, chapter 690, has worked to fulfill a goal which is well put in the words: Scholarship for Service.

CSF is a selective group, accepting only those who are able to meet the prerequisite of a high grade average.

During the past year, CSF sponsored the first post-game dance during football season. In the Spring, the annual regional convention was held in San Diego with delegates from our school attending. One of the final activities of CSF this year was the annual Gold Seal Bearers' Banquet, honoring those students who had maintained a high grade point average and belonged to CSF for four semesters of their high school career.

Those people serving as CSF officers this year were President, Greg Page; Vice President, Sally Schwartz; Secretary, Maryan Malven; and Treasurer, Martha Allen.

FUTURE TEACHERS OF AMERICA — TOP ROW: J. Boecheleide, N. Niccum, M. Rogers. SECOND ROW: E. Jones, P. Ecklund, T. Arambula.

Attending the annual conference held at UCLA has highlighted the year for the Future Teachers of America. This small but mighty group has made their presence known on campus and works behind the scenes helping the teachers by correcting papers and working on bulletin boards. In this way they earn FTA service points for college.

FTA has also had a varied program of speakers including teachers and administrators and the many foreign students on campus. From them they have learned many varied teaching techniques, and the way students are taught in foreign countries.

The Future Teachers have also visited various elementary and junior high schools, observing the different levels of teaching.

The money matters of FTA are solved by the annual peanut sale which was held in March and was a great success.

Leading the Future Teachers this year have been Mary Rogers, president; Jeanne Bornstein, vice president; Pat Ecklund, secretary; and Nikki Niccum, treasurer.

# Careers in Teaching and Homemaking

FUTURE HOMEMAKERS OF AMERICA — TOP ROW: C. Shirley, B. Shirley, S. Clark, R. Corwin, R. Peugh. SECOND ROW: Miss Wanklyn, advisor, B. Hope, N. Knowland, J. Wagner.

Affiliated with the national organization of the Future Homemakers of America, the Magnolia FHA has strived to carry out the general purpose of helping individuals improve personal, family, and community living. The FHA achieves this goal by carrying out some objective for each month related to home economics, and planning their activities around these objectives.

During the year they have carried out four major projects which are national, international, community and school planned. These projects have been headed by the officers: Joyce Wagner, president; Becky Peugh, vice president; Sandi Hickman, secretary; and DeLois Terfehr, treasurer.

FHA's activities for this year have included demonstrations on cake decorating and vegetable carving. They have held dinners honoring their parents and a weekend camping trip for their own pleasure. Field trips to the Laura Scudder's plant and Farmer's Market have rounded out their schedule of activities.

The FHA has also been working on a service project which this year has been "Penny Wednesday" where the FHA collected pennies through the group guidance classes and donated them to AFS. This proved to be a very worthwhile affair.

Becky Peugh and Joyce Wagner make posters to illustrate "Penny Wednesday."

BOWLING CLUB members Pat Forrester and Gloria Panos show the proper form for bowling a strike.

Speech and debate ride high on the list of activities of Magnolia students and Roto Hi is a club designed to give interested students a chance to enter competition to improve their skill in these fields. Roto Hi helps students gain confidence in the area of speech and its related activities, while at the same time it is a team competing for the school, much as an athletic team.

Reaunell Eskridge as president of Roto Hi has led her team to many victories. She has been joined by Fred Wilferth, vice president; and Craig Oynes, secretary-treasurer.

Roto Hi has had an active schedule of competition this year including four novice, three open, and two invitational tournaments. A highlight for the year was the junior high tournament which was sponsored by Roto Hi.

Strike! That's the way the members of Magnolia's bowling league chalk up those scores and trophies. Magnolia's bowling

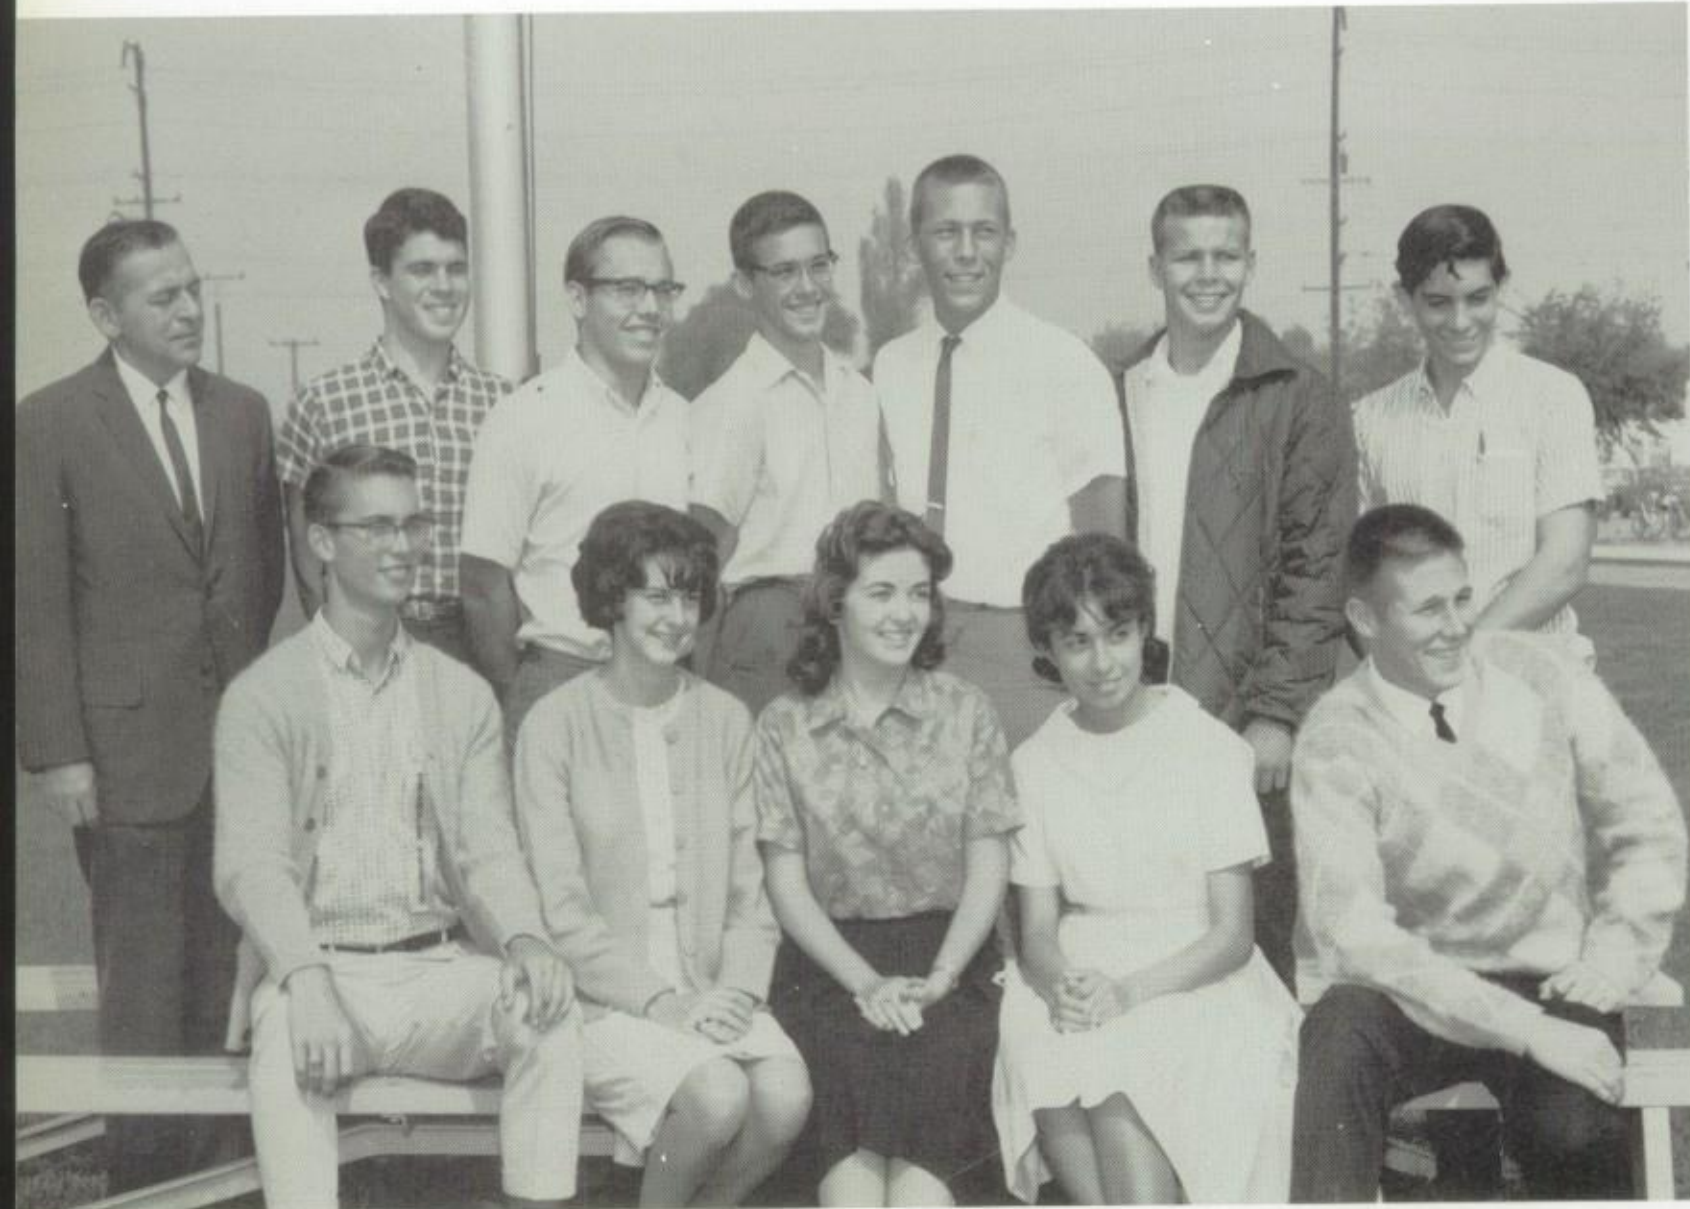

league is in its third year, and each year it becomes bigger and better. Wally Golonka has served as president this year, and assisting him have been Vice President Gloria Panos, who has also served as secretary; and Pat Forrester, treasurer.

Not all the bowlers are experts, many are beginners, who although they may not bowl over 100, have a lot of fun and a good time. This is the chief aim of the Bowling Club and each and every member will assure you they are having tremendous fun as they learn to bowl correctly.

The bowlers met each Thursday afternoon at the Wonderbowl and bowled for two hours improving their averages and giving each other tips on how to make those strikes and spares. Their advisor, Mr. Murie, was a source of excellent tips and he showed the bowlers a thing or two as he scored many high games himself.

Scientia Vita, as the Magnolia Science Club is known, has experienced its second successful year. Highlighting the activities of the club have been field trips to such places as Aeronutronics and Borax Research Laboratories. These have been supplemented by talks given by club members on such subjects as boolean algebra and radiation.

At the meetings, various speakers have been present and films showing different phases of science were shown. Many of the club members also belonged to the after school class in radiation which is sponsored by Mr. Arthur Maser, who is also the advisor for the Science Club. This gives them additional background information on one of the most interesting fields of study today.

Jerry Haber has served as President of the Science Club this year, and the other officers have been Margaret Sweger, vice president; Kandy Kiel, secretary; and Dennis Funk, treasurer. They have worked together to further students' interest in the field of Science.

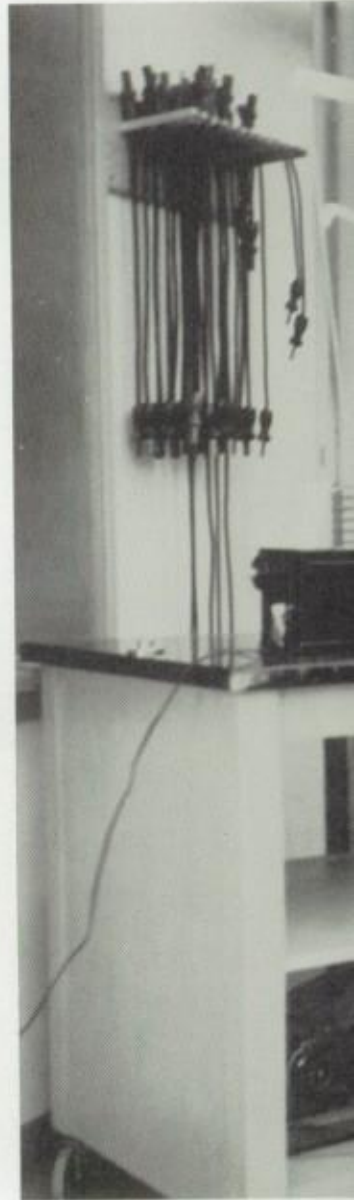

Money matters have been solved by the annual caramel corn sale which is a favorite among the students on campus. Sticky fin-

gers were evident in every class during the week of the sale.

Magnolia Industrial Technology Club, better known as MIT is off to a running start after its second successful year. The MIT is mainly a service organization composed of outstanding students in the fields of Electronics, Drafting, Automotive technology, and wood shop, who work for the benefit of the Industrial Arts. They work together to promote interest in these fields, and also by participating in various school functions.

One of MIT's activities which is a favorite among the students is the car smash. With sledge hammers, the students are allowed to release all their pent up emotions, whether it be ill feelings toward their best girl or boy friends or dismay because of a rough class, or just wanting to show off their muscles. All of this for just the nominal fee of five cents.

The MIT whose officers are Ken Garrett, president; Pat Wright, vice president; Darrell Wong, secretary, and Bob Sturges, treasurer, are under the advisorship of Mr. Williams.

# New Campus Clubs Promote Service

Newest of the clubs on campus this year, the Sales Club is certainly one of the busiest. This club which was started from a class in retail merchandising, has proved itself of great service to the clubs as well as the school. Its main function is to handle any sales on campus. Many clubs have availed themselves of the Sales Club services, especially the AFS, whose student directory sale was handled by the Sales Club. The club also took over the sales of student body cards, yearbooks, bus tickets, game tickets, dance tickets, and even set up stands at the Homecoming football game to sell the plastic megaphones. Mr. Dave Powers, activities director, is in charge of the Sales Club and it has proved to be a big success. The Sales Club is made up of a group of energetic students whose enthusiasm toward their work has a definite influence on the sales resistance of the students at Magnolia.

One of the newer clubs on campus this year, Insight, has grown in popularity among the students of Magnolia. Insight, after a slow start last year, has come back in full force as a newer type of service club. Insight took command of the Senior Surveys, distributing and collecting them through the American Government classes and evaluating them. The evaluation of these surveys were held in a series of meetings open to the public.

Insight also had an interesting schedule of speakers coming from every walk of life, and speaking on their chosen professions: the do's and don't's as well as the study and development involved. Acting as advisors for Insight this year have been Mr. Robert Carlberg and Mr. John Conniff with backing from the rest of the counseling staff. Insight's officers have been Mary Rogers, president; and Rick Goldman, vice president.

# Service to Our School and Community

ZENITH CLUB members, Richard Eastman, Judy Hardos, Ed Cox, Sam Brown and Florence Colton plan publicity for the annual candy apple sale.

Service to Magnolia is the goal of the members of the Zenith Club. These students work to help the United Fund and the AFS. To help finance these activities the Zenith Club holds an annual candy-apple sale which has proved to be very successful.

Mr. Harber and Mrs. Williamson are co-advisors for the Zenith Club and they have helped with many service projects including helping with the landscaping of the school.

Ed Cox has served the club in the capacity of President for the last two years and his able assistants for the year have been Judy Hardos, vice president; Charles Person, secretary; and Sam Brown, treasurer. This club will continue through the years to serve Magnolia and its students, and from the results so far it has been very beneficial.

SOPHOMORE TRI-HI-Y GROUP— TOP ROW: C. Mounty, C. Moore, N. MacKinnon, D. Adamson. BOTTOM ROW: S. Pebly, T. Tucker, L. Levandowski.

"Y" Clubs at Magnolia have been a pleasant and worthwhile diversion for both teenage girls and boys. These groups teach the meaning of young peoples' Christian fellowship and the need there is for it. Each of the several clubs within each class strives to build better relations between its members and the school and community.

They hold many money raising projects, the most profitable being the car wash. Proceeds from these go to help the YMCA through the Y Camp at Osceola. This year one of the junior clubs worked toward the goal of raising enough money to buy a new campfire for Osceola. The Y groups have worked for the benefit of the school and community and will continue to serve as long as there is a need. One of the projects of the junior Y groups is to start a sophomore group, and the new group formed this year at Magnolia is well on its way to achieving the heights of its upper-classmen predecessors.

## Sentinel Staff Notes

SENTINEL STAFF—TOP ROW: S. McKinnon, S. Long, D. Joy, D. Apeland, M. Cochran, J. Trepesowsky, J. Turner, C. Scherer, P. Sullivan, L. Eriksen.

SENTINEL STAFF members advertise the sale of annuals.

"Where are my pictures?" "Can someone help me with this headline?" "I'll never make this deadline!"

Such were the exclamations and questions of the very distraught yearbook staff. From the first preliminary layout, to the last headline and stamped picture, the staff under editor Ann Moses, has overcome many obstacles in bringing Magnolia to you, the student body.

Sharing that tiny cold quonset with the Lamplighter staff, there were many times when yearbook equipment could be found in the Lamplighter files and vice versa.

Putting out a yearbook is an \$8,200 business, and responsibility placed on the editors and advisor become even greater as the year goes on.

In putting together a yearbook, a preliminary "dummy" layout of the whole book is planned and drawn out. A tentative picture schedule is then set up and arrangements are made with the studios on deadline dates and return time for pictures.

The section editors then get together with the publishing company representatives to select the cover colors, material, and the size and type of book. Then the real "work" begins.

# Memories of '63 - '64

BOTTOM ROW: E. Guccione, L. Thies, S. Schwartz, K. Barrett, B. Schneider, M. Underhill, D. Rosenblum, P. Marshall, B. Rollins.

Pictures are scheduled and rescheduled, identification is checked and rechecked for the index, senior pictures and information must be obtained from all of the senior class members, and copy is being written while the information is still fresh in the editors' minds. Final triple copy layouts are made and identification, copy, and captions are typed in. The pages are then proof-read for errors, labeled with headlines, and copy blocks drawn in in blue pencil. Pictures are checked for stamping and correct "cropping" and the page is sent on its way.

The section editors who have "struggled" to get their pages in on time have been Pat Conway, Associate Editor and Student Government Editor; Bernie Schneider, Sports Editor; Elizabeth Guccione, Organizations Editor; Marian Mossey, Student Life Editor; Sally Schwartz, Faculty and Curriculum Editor; Karen Barrett, Senior Class Editor; Mary Underhill, Underclass Editor; Barbara Rollins, Girls' Sports Editor; Candy Scherer, Index Editor; and Linda Thies, Business Manager. LAMPLIGHTER STAFF — TOP ROW: S. Karcher, J. Perry, C. Panique, J. Henslee, J. Miller, J. Seeley, T. Turner, P. Herzberg, B. Daugherty.

LAMPLIGHTER STAFF members Mary Pelfrey, Bill Daugherty, Paul Downing, and Jennifer Johnson work to get the monthly issues of the Lamplighter out on time.

Hectic and fun, fun and hectic are the passwords at the "office" of the Lamplighter, Magnolia's student body sponsored newspaper. Headquartered in Quonset nine third period, the staff works at gathering, writing, and printing news and views found at Magnolia.

Not solely a newspaper, however, the Lamplighter is a testing and learning ground for the future journalists of the nation. It is a laboratory where new and different techniques of writing, photography, layout, and art are practiced and put into effect, making its function as a bulletin secondary to its function as a teaching instrument.

Another important learning process is the checks and balances and the hierarchy of authority practiced in a nutshell just as it is in an actual newspaper.

These, then, are the purposes for the existence and practice of the Magnolia High Lamplighter: to inform and record and to represent the students of Magnolia, and to teach and train young people to publish a newspaper.

Now to trace a typical issue of The Lamplighter from planning stages to distribution. First, the size of the issue is decided and page editors are appointed to plan and be in charge of each page all the way through the process.

# School Highlights

SECOND ROW: P. Willis, K. Mead, M. Pelfrey, C. Ferguson, P. Downing, P. Sapp.

Assignments are made by the page editors, length of assignments determined by the space allotted in the preliminary layout of the page, which is followed by a guideline. Copy is turned in to page editors, checked and rewritten if necessary, and turned in to the editor in chief for final corrections. Photos and cartoons are done in India ink and turned in, and finally ads are laid out and handed in. This completes the first stage of publication.

Next, all the material is taken to the printers. There, they are printed on "galley," long strips of newsprint. Errors are checked again on one set and another set is cut up into individual articles, pictures, and cartoons and pasted down according to the original page design by the page editors. "Proofs" are made of each page and a final check is made.

Last, the papers are brought to the school from the printshop for distribution, exchange with other schools, and public relations work. Immediately, work on the next issue is started and the long process repeated.

Staff includes Mary Pelfrey, editor-in-chief; Steve Karcher, business manager; Page Editors, Pam Willis, Kathy Mead, and Chet Panique. Staff reporters include Chris Ferguson, Jennifer Johnson, Renny Sapp, Bill Daugherty, Tom Turner, Joe Henslee, and Jeff Seely. Photographers are Paul Herzberg, head, and assistant Jim Perry. Jeff Miller heads the art department and Pam Downing serves as exchange editor. Richard J. Fleming is advisor.

# Our Activities In

"SCORE, SCORE, score . . ." yell Cheerleaders Claudia Mose, Tom Dedrick, and George Lefkowitz in the spirit raising "Touchdown" chant initiated this year.

Our activities section records the action of people enjoying themselves. These activities are the events that took minds off studying and classes. These events wrote a chapter of fun in our yearbook.

Every Sentinel took part in some school sponsored activity. Pep assemblies brought support for our teams while bringing the excitement of fanfare to the students. Dances were by far the most popular; from the informal after-game dances to the dress-up holiday Proms. The annual drill team show brought a large audience to witness the high-stepping Continentals' lively routines.

During the year, our activities played a major role in student life. They were a side track but also a supplement to the action of learning, for they helped prepare for an active adult social life. Because of this, every Sentinel benefited from the activities during our year of action.

"Memories Are Made of This," theme of our first Homecoming dance, highlighted October on the weekend of Friday 8, and Saturday 9. Festivity plans began earlier in the year as sponsors — the Senior class — formed committees and initiated the long, tireless job of writing and sending invitations to the first graduates.

Activities began the preceding week as the Sentinel ASB voted on princess and queen nominations. Ballots were held secret. Friday, October 8, students packed the assembly, anxious to get our first Homecoming under way. That evening old and new students alike, poured into the coliseum for the game. Tension rose as halftime approached. Who would she be? Moments later, Selma Littlejohn was crowned Homecoming Queen — 1963 by Senior class Vice-President, Bernie Schneider. The court consisted of Sophomore Princess, Mary Johnson; Junior Princess, Sandy Watkins; and Senior Princess, Donna Emery and Sandy Long.

Saturday evening students were reacquainted at the dance. Each court member was presented a charm and bracelet in memory of that night—Homecoming—'63.

# Thanksgiving Vacation Interrupts

CAST CREW of "Years Ago," all-school play presented on Saturday, February 29, included Mr. Bottolfson, director; P. Wallis, J. Hensley, A. Olson, K. Germain, B. Balderson, N. Robson, K. Wagner, R. Eskridge,

M. VanFossen; and stage crew B. Niccum, D. Koska, D. Baker, P. Hertzberg, D. Kirk, E. Royal, and J. Clelland.

DIRECTOR, MR. Bottolfson goes over the finer points of acting.

# All-School Production, 'Years Ago'

MR. BOTTOLFSON demonstrates to Katie Germaine and Mike VanFossen the art of applying makeup.

The call for tryouts for the play YEARS AGO went out to the student body the first week in October. As is the case with so many high school tryouts, the call was answered by many talented would-be actresses, but few actors. Nevertheless, a capable cast was selected to portray the roles of characters who lived a half century ago. Three students—Mike Van Fossen, Katie Germaine, and Reaunell Eskridge—convincingly performed the leading parts as father, daughter, and mother of the Jones family of Wollaston, Massachusetts. They were ably supported by Kathy Waggoner, Nancy Robson, Bob Balderson, Pam Willis, Joe Henslee, and Alan Olson.

Rehearsals got underway the following week at which time the cast discovered the meaning of multi-purpose room, for it was there that the players set their "stage." Each evening at 6:30 actors and actresses shifted tables and chairs in the large room, transforming it into a workable set for the ensuing practice which ended two or three hours later.

One week prior to opening night the cast gathered at the Anaheim High School Auditorium for rehearsals. At this doing the players began to respond to the atmosphere of a theatre. However, no play is without its pre-production problems, YEARS AGO being no exception. Interruptions such as Thanksgiving vacation and the excitement of a championship football team playing in C.I.F. competition thwarted the building of confidence during the dress rehearsals.

Despite the unforeseen difficulties the cast performed like those who believe in the expression "the show must go on." Even the serious illness of one of the cast members did not prevent her from going on. In addition to the performances on stage, those who worked behind the scenes performed equally as well.

Two weeks after YEARS AGO students tried out for the next all-school play, A MAN CALLED PETER.

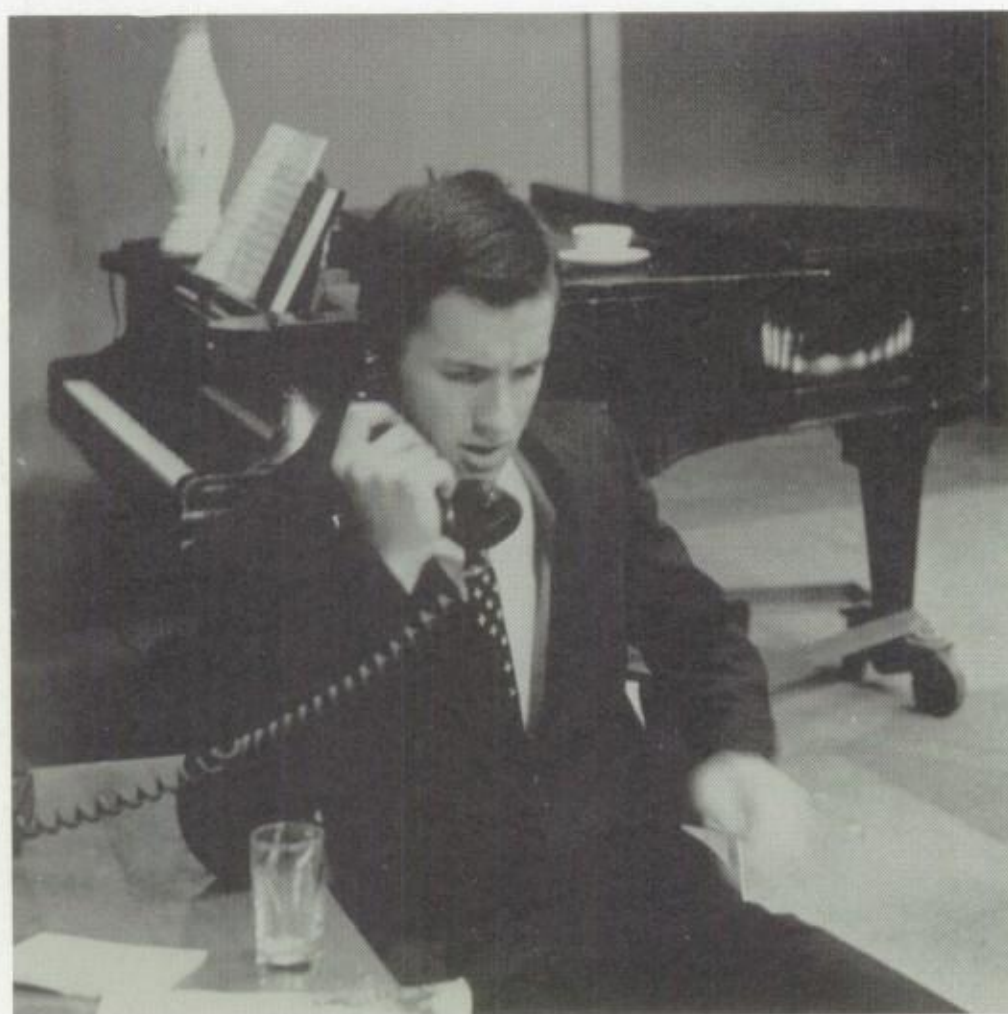

JOE HENSLEE and Pam Willis try to persuade Katie to go to their health school instead of acting.

SENATOR POLK and Peter Marshall argue about the welfare of a juvenile, Joe.

"A Man Called Peter," the second all school play, was presented by the Magnolia Student Body at the Anaheim Auditorium on Saturday, February 29. The cast included Bob Balderson as Reverend Peter Marshall; Grace Scalzo as Mrs. Catherine Marshall; Keith Jones as their son Peter John; Mike VanFossen as Allan; Reunell Eskridge as Miss Judith Bickle; Sharon Bloom as Miss Jesse Bickle; Gail Petty as Susan; Fred Garritz as George; Roy Bristle as Mr. Grant; Geri Cofone as Mrs. Grant; Jennifer Morris as Barbara; Cindy Sullens as Nancy; Darrell Baker; Dave Hall as Joe; and Ruth Welch as Hulda.

Thespian director, Mr. Bill Bottolfson, put out an all-school play cast call directly after the previous play "Years Ago." Parts were cut down until the selected students were chosen. Rehearsals for play started immediately after Christmas vacation and ended the night of the play. Despite the illness of cast members, Mr. Bottolfson patiently worked to get his actors in complete character.

The play involves Peter Marshall's conflicts in his new environment as Chaplain of the Church at New York Avenue in Washington. Dr. Marshall is faced with problems of Joe the delinquent, Susan Grant's marriage and parental problems, of his wife's tuberculosis, his own heart condition and with Senator Polk, who uses the wrong tactics against juvenile delinquents.

"I left Helsinki by plane with sixty-seven other Finnish students. The plane flew to Amsterdam where we stayed for two nights. The bus took us to Rotterdam where our boat the SS Seven Seas was docked. The voyage to New York took ten days. On board we were about eight-hundred students from various countries. The students going to Southern California were taken to Newport airport, where we were flown to the Los Angeles International Airport. There were about ninety students on this plane. The American families were at the airport to meet us.

I left home on Saturday, August 3, and I arrived in Los Angeles on August 13. We gained several hours as the time changed."

# Half-time Shows and Competitive

High-stepping their way through competitions, parades, and performances the Continental Drill Team practiced endlessly for their first performance at La Palma Stadium on Friday, September 27.

Under the able direction of Miss Herta Fredericks, the military marching squad is led by leader, Gloria Doolen; assistant leader, Pat Lautenschlager, with Pam Willis and Diane Rankin as recalls; and cadence corporals; Mary Anne Malven, Kathy Mori, and Grace Scalzo.

Their first major competition at Chafey, October 12, included a parade and half-time show where they received fourth place. Between practices and football games, our Drill Team participated at the Hawthorne Parade and Monterey Park Parade in November and brought back two third place trophies. On Saturday, October 26 the black and gold squad marched in the Annual Halloween Parade.

As the Christmas holiday season approached, the Continentals anxiously prepared for the Annual District Drill Team Show and the Disneyland Parade of All Nations.

Band performances are grouped as two seasons, January through May and May through January. During May month, the Sentinel marching band took sweepstakes at the Orange May Festival and the Costa Mesa-Newport Harbor Festival. Although the summer months were advancing, our band prepared for the SCBSBOA Music Festival in June where they received Superior and Excellent ratings.

Preparing for the long 63-64 season, our proud band marched and practiced before and after school, pressed and cleaned their striking black and gold uniforms, and put their best foot forward as their first football program appearance was on Saturday, September 27 at La Palma Stadium.

Between football performances the band, accom-

panied the Drill Team to participate at Chaffey, on Saturday, October 12 where they received the Tournament Band Review.

Christmas season kept the group busy as Friday, December 6 marked the Huntington Beach Christmas Parade. Closely following on Friday, December 13 we participated in the First Annual All District Band Jubilee while we also prepared for the Disneyland Parade of All Nations on Sunday, December 22.

Last summer and the first part of this year the Sentinel band trained and assisted the Dale Junior High Band in marching and maneuvering.

This year our band has had an exciting and colorful program as they carried the Sentinel spirit through all performances.

Bill Daugherty

Sentinel mascot, Bill Daugherty, helped arouse crowd spirit by appearing at athletic functions along with the cheering squads. His uniform, which he has proudly worn for two years, signifies a Sentinel guard.

Banner carriers, Rosemary Ochwat and Diane Rosenbloom, appeared at home football games and parades along with the band and drill team. Also, this year, sparkling black and gold shields that spelled out Magnolia, joined the banner carriers in carrying out the traditional Sentinel spirit.

Leading the band through numerous competitions, drum major, Gene Burch, has earned many honors at his position. Gene received first place at Long Beach State College Drum Major Competition, second place at the Santa Ana Christmas Parade, and fourth place at the Chaffey Tournament of Bands. At the Long Beach State Drum Major Camp, held during the summer, he received most improved.

Two new majorettes, Sandy Sabin and Carol Bousquet, joined head majorette, Dorene Downing in parade competitions, football games, and other band events. Brilliant performances throughout the year earned them much recognition.

Outstanding single performances grouped together has given the String Orchestra tone and quality. Director, Mr. Mervin Corner, and participants have worked strenuously together. Again, this year, they performed on Thursday evening, December 19, at the annual Christmas Music Program. Outstanding solo was violinist, Pat Shafer, who played **Ave Maria**. They performed again, along with the A Cappella at the Christmas assembly on the following afternoon. At the Competitive District and Regional Festivals they received awards in outstanding performances.

Four members have been chosen for the Southern California High School Orchestra. They are Pat Shafer, LeeAnn Bowen, Christian Bowen, and bassoon, Doug MacKinnon.

# Fight Songs by Pep Band Sound Out

PERFORMING AT pep assemblies, the pep band raises spirits at the La Habra pep assembly.

Performing at all away football games, pep assemblies, and at all home basketball games, the pep band, a new attraction this year, has put the Sentinel spirit soaring. On their own time and ambition the pep band was formed to play whenever the band was unable.

Tribute goes to Doug MacKinnon who with fellow students kept this band alive. Traditional fight and pep songs rang throughout the halls, especially during Savanna week, as noise and enthusiasm mounted.

Many credits again go to this group of fellow students, who have been a tremendous help throughout this year.

Dressed in gold robes trimmed with black, the A Cappella has given many performances throughout the year in school and outside performances, under the direction of Mr. Marvin Fennema.

In November the A Cappella sang at the Broadway Mall, and again at the Rotary Thanksgiving Luncheon held at the Disneyland Hotel. As the holiday seasons rushed on, the A Cappella practiced and prepared for their first school performance of the year, the Thanksgiving assembly, as songs such as Onward Christian Soldiers highlighted the occasion. During December the choir worked to prepare the scenery for the Christmas music program on the evening of Thursday, December 19. The following afternoon held the Christmas assembly as Lynn Shroeder and the Girls Quartet highlighted the assembly. Popular Christmas songs, The First Noel, The Twelve Days of Christmas, and 32 Feet and 8 Tails, among other varieties were sung. In April, again the choir gave a fine showing at the Spring Music Festival.

Upholding their traditions, the A Cappella choir has responded proudly at all of their functions.

Although a small group of approximately twenty-eight, the Intermediate Girls' Glee has worked to achieve a goal of understanding and appreciation of music. Usually these girls are in their first year of singing and are limited to function performances. This year they performed at the annual Spring Music Festival. Mr. Mervin Corner is director of this glee group. They have also sung with the A Cappella and the Advanced Glee in various campus functions.

MR. CORNER conducts glee group during practice session.

# Perform at Various School Functions

Again, this year, the Advanced Girls' Glee, conducted by Mr. Marvin Fennema, has been well represented in various activities. Striking uniforms of ebony with gold accessories identify this group. They have performed, along with other musical groups, at the annual Christmas and assembly programs. One of their most popular songs was The Twelve Days of Christmas, sung with the A Cappella. In November the Advanced Glee appeared at the PTA meeting. Another outstanding performance was again given at the May Spring Festival.

# Our Athletics In

QUARTERBACK MIKE COCHRANE (11) hands off to halfback Richard Thompson (41) for a short gain in the 14-0 defeat of Savanna for the Crestview League Championship.

Where in our year could more action be found than in our athletic program? Participants in our sports are people who crave the action of competition.

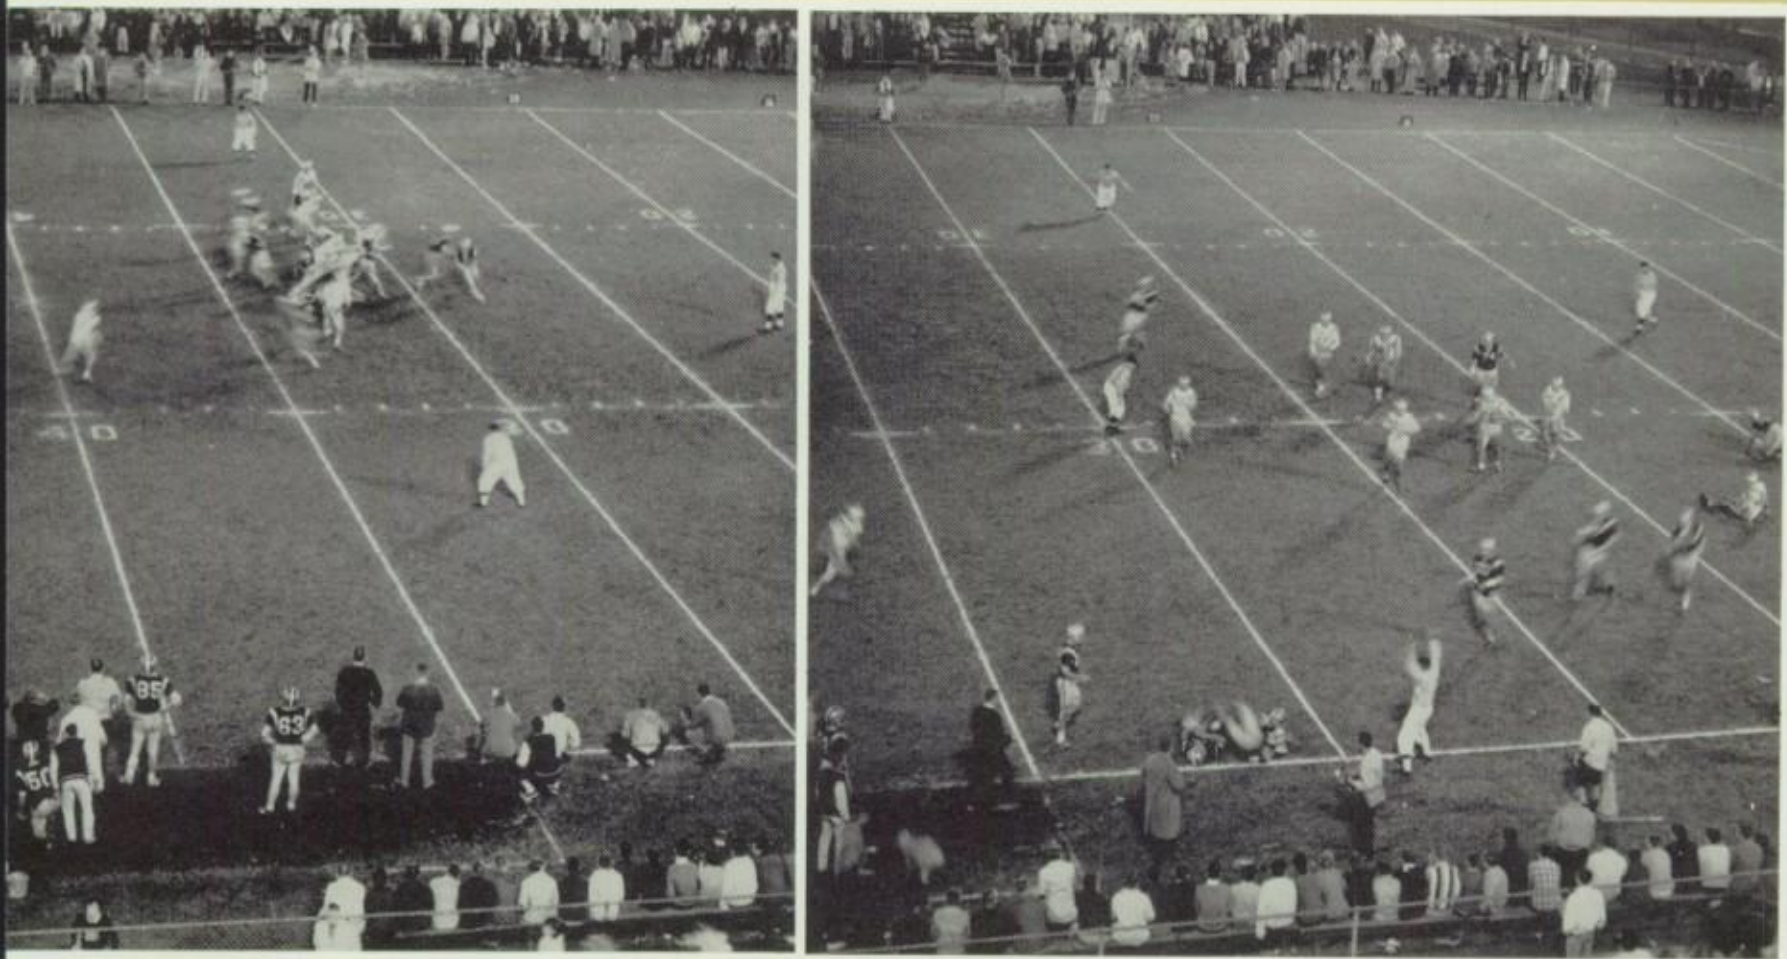

The 1963-1964 year saw the action of another Crestview League Championship football team. It saw our other unsinkable teams battle to a successful finish in their respective seasons.

Every student could find some athletic activity to suit his desires. For the runner; the cross country or track teams. For the swimmer; water polo, swimming or diving.

For the girls; Drill Team or G.A.A. These and many others were open to those with the skill to compete in the action.

As a participant in our athletic program, each Sentinel became a prime representative of Magnolia. Their actions reflected on our School. Needless to say we can be proud of our athletes and their accomplishments during our year of action.

# Assemblies, Games

Starting early in the summer, the Cheerleaders, under the direction of Mr. Pat Mullen, and the Songleaders, led by Mrs. Marty Bolling, worked together to raise student spirit.

Among the many duties of the Cheer and Song leaders were making uniforms, routines, and planning pep assemblies throughout football and basketball seasons. Working with the pep squad, they helped paint posters to encourage team support. Each week the group decorated the Varsity team room with crepe paper, posters, and locker decorations.

The black and gold clad Cheerleaders led the student body in numerous yells topped off with acrobatic stunts. Initiating the new "victory" hand clap, the Songleaders performed routines to the rhythmic fight songs played by the pep band.

CHANTING "HOLD 'em, hold 'em . . .," Cheerleaders, Songleaders, and Sentinel Mascot lead spirited crowds in chants, yells, and songs throughout the eleven football games.

# Varsity Gridders Retain Crestview

In just the third year of operation, the Varsity footballers swept undefeated in league for their 2nd consecutive Crestview League Championship and to the Quarter-finals in the C.I.F. Playoffs.

Brea, eventual C.I.F. "AA" Division Champs were first to fall victim as the Sentinels were victorious 20-0. Following the victory were three consecutive defeats to Newport Harbor, 7-20, Buena Park, 7-21, and Garden Grove, 13-26, to round out the practice schedule.

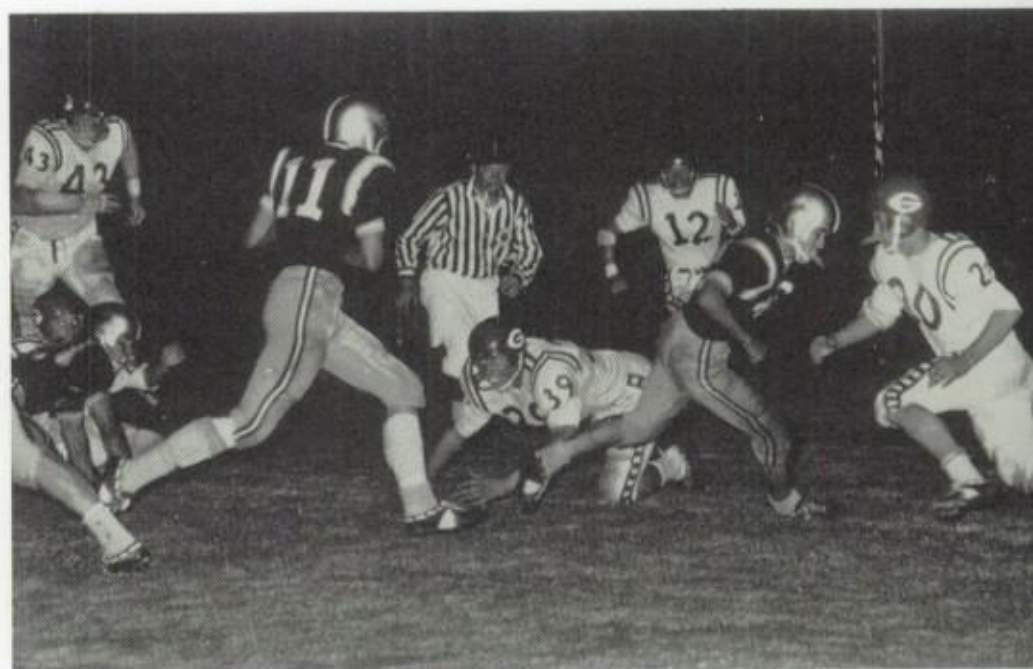

In the league opener Magnolia won a thrilling 26-25 victory versus Santiago. The Tillers of Tustin were next in line as they fell 19-7. Sunny Hills couldn't break a rugged Sentinel defense and lost 21-6. A series of grinding offensive drives was too much for La Habra and they were defeated 19-7. Our cross-town rival Savanna was undefeated in league and also tied with us for first place going into the final week of play. Highlighted by a 56 yard pass play and a stunning punt return, Coach Don Lent's forces scored all their points in a period of 2 minutes and defeated the Rebels 14-0 for the Championship.

Magnolia defeated Buena Park 13-0 in a revenge match during the first round of the California Interscholastic Federation Playoffs only to be on the losing side of the score against Lawndale 14-25, in the quarter finals.

Defensive Captain Dennis Lightner received plaudits from many as he won 1st Team All-County and All-League berths. He also was Most Valuable Lineman, received the coaching staff's "Hatchetman" award, and will enter the Magnolia "Hall of Fame."

All-Leaguer Mike Cochrane was also Offensive Captain and Los Angeles Times Prep "Player of the Week" following excellent play in the second Buena Park game. Jim Helmer, Jim Iantorno, Bob Kogut and Mike Noggle were also honored as "All-Crestview League." Jerry Aguinaga was named "Most Valuable Back" and Hatchetman. Keith Kambek and Ken Wilson were "Co-Most Improved" while Wilson also gained Hatchetman recognition. "Most Inspirational Player" was Ron Oliver. Other "Hatchetmen" were Jack Ray, Gary Reed, Richard Thompson, and Oliver.

Coach Don Lent received deserved "Coach of the Year" honors but was quick in naming the staff of Sid Shue and Jud Brown as the real recipients.

SENTINEL QUARTERBACK Mike Cochrane drives 2 yards over goal in fourth quarter action of 13-26 defeat to Garden Grove.

BREA—With the hard running of fullback Ron Oliver, the Sentinels defeated the Wildcats of Brea 20-0, at Brea.

Oliver drove 8 yards off-tackle for the first touchdown. Capping a 67 yard drive, the T.D. came midway through the second quarter. Quarterback Mike Cochrane scored with only 20 seconds remaining in the second quarter, ending a fine 62 yard drive, Mike Noggle converted and the Sentinels had a 13-0 halftime lead.

A crucial fumble recovery by end Mike Noggle set up the final touchdown as Oliver again scored for the third and final tally. Scoring was ended when Noggle kicked the extra point to reach the final tally.

NEWPORT HARBOR—The Tars passed their way to a strong 7-20 decision over Magnolia at La Palma. Quarterback Steve Shedd connected for 3 T.D. passes to end John Weber.

Weber opened up scoring in the third quarter grabbing a 27 yard pass from Shedd to extend the Harbor lead to 0-13.

The Sentinels then hit the scoreboard with a 10 play 71 yard drive climaxed by a 34 yard pass from quarterback Chester Panique to end Mike Noggle for the T.D. Noggle converted but the Tar's again scored from Shedd to Weber covering 69 yards.

FULLBACK RON Oliver eludes a Buena Park defender for a 32 yard gain midway through the third period in 7-21 defeat by the Coyotes.

BUENA PARK—With Tailback John Doyle running across 2 touchdowns Buena Park defeated the Sentinels, 7-21, in their third practice game at La Palma Park.

The Coyotes were first to score as Doyle went across from the 5 yard line after an 8 play, 51 yard drive. Jack Lennon converted with 7:11 left in the second quarter.

The Sentinels came back with 58 seconds in the half. Fullback, Ron Oliver, plunged 2 yards for the touchdown. Mike Noggle converted, bringing the score to 7-7 at the half.

Buena Park broke the tie when a Magnolia fumble was recovered by the Coyotes on the Sentinel 13 yard line. Four plays later, Jim Lawrence put the visitors ahead to stay with a 4 yard drive.

Doyle scored the final T.D. from 2 yards out. Lennon converted.

GARDEN GROVE—A heavier Garden Grove team defeated the Sentinels, 13-26, in the final practice game of the year at La Palma. Halfback Mike Floyd led the way and scored first with a 3 yard run after 7 minutes had elapsed in the first quarter. Garden Grove struck again in the second quarter on a 5 play, 56 yard series climaxed by a 5 yard smash with Fullback Phil Raulston carrying over the ball.

Quarterback Steve Bridenball scored just seconds before the halftime gun. The Argos left the field with a 0-19 first half lead.

A fine 56 yard run by Halfback Jim Corbett climaxing a 78 yard drive accounted for the final Garden Grove T.D. The Sentinels then scored twice quickly in the fourth quarter. Mike Cochrane scored first early in the final period from 4 yards out. Halfback Jerry Aguinaga scored on a spectacular 64 yard screen pass-run. Mike Noggle converted to reach the final score minutes before the last gun.

QUARTERBACK MIKE COCHRANE sweeps end early in the third quarter of Santiago game to score second touchdown of 26-25 Sentinel victory.

SANTIAGO—In the most spectacular game of the season, the Sentinels scored 2 touchdowns with less than two minutes remaining and defeated Saptiago 26-25 on the loser's field. This was the Crestview League opener for both schools.

Len Sims scored the first T.D. Cavalier Jim Galindo converted. Magnolia tied the count with seconds remaining in the half. Halfback Jerry Aguinaga scored and Mike Noggle kicked the extra point. The score was 7-7 at the half.

Santiago went ahead on a Vince Carraba to Ron Inman pass early in the third quarter. Sentinel linebacker Gary Reed recovered a fumble and Magnolia covered the remaining 7 yards in 2 plays. Mike Cochrane scored and Noggle converted.

The Cavaliers then scored two quick touchdowns. Sims did the scoring with runs of 15 and 2 yards. Both extra points were missed.

This set the stage for a spectacular few minutes of football. Magnolia drove 75 yards in 7 plays for the third touchdown with just 1:59 remaining. The scoring play was completed for 43 yards from Cochrane to Richard Thompson. Gary Reed then recovered a Cavalier fumble with less than a minute left. The Sentinels then went 48 yards in six plays, scoring the winning T.D. with 8 seconds remaining on a second T.D. pass by Cochrane to Aguinaga.

TUSTIN—Tustin scored a first quarter touchdown but was unable to generate a second effort as they were defeated 19-7 at Tustin High.

Magnolia was the first to score on a grinding 14 play 64 yard drive after the kick-off. Halfback Jerry Aguinaga scored from 3 yards out and Mike Noggle kicked the extra point.

The Tillers struck back as they went 59 yards to score. Fred Lovell swept left end for 10 yards from his halfback position to score. Tustin end Jim Clauson converted to tie the score.

The Sentinels then capitalized on two Tustin miscues for quick touchdowns. Defensive Captain Dennis Lightner recovered a Tiller fumble and the Sentinels covered the remaining 22 yards in 7 plays with Q.B. Mike Cochrane scoring. Lightner made a second recovery and Cochrane again scored, after a 42 yard drive, from 5 yards out. This score was the final and gained the 19-7 decision.

# Sweeps League With Five Straight

#41, RICHARD THOMPSON, circles end for 12 yard gain in third quarter of 19-7 victory over La Habra.

HALFBACK JERRY AGUINAGA, #43, finds running room during first period in Sunny Hills victory.

MAGNOLIA 21—SUNNY HILLS 6—Highlighted by five interceptions, the Sentinels defeated Sunny Hills 21-6 in a defensive contest. The Lancers highly-touted pass offense was held to but 25 yards for the evening. At home, Sunny Hills 35 yards net in comparison to 253 for Magnolia.

Ron Oliver scored the first T.D. from 1 yard out after a 6 play, 46-yard Sentinel drive. End Mike Noggle kicked the point with 4:03 remaining in the initial quarter. Noggle figured in the scoring again on a 14 yard pass play from QB Mike Cochrane. Noggle again scored the extra point.

A 22 yard pass to Bob Kogut scored the final points after an outstanding series of plays for 46 yards. Noggle made it three-for-three splitting the uprights for the point. At half-time the Sentinels led 21-0.

Sunny Hills struck back midway thru the third period on Quarterback Bob White's 22 yard end run. The drive covered 42 yards in 6 plays. The attempt at extra point was unsuccessful as the final point total was gained.

Defensive halfback Jerry Aguinaga led the Sentinels with two interceptions and many tackles in the contest.

MAGNOLIA 19—LA HABRA 7—Ball hawking defense and hard-hitting offense powered Magnolia over the Highlanders of La Habra 19-7. Five fumble recoveries aided in the victory as the Sent's held La Habra to 23 total yards.

Magnolia scored first in the initial Magnolia Homecoming game with Mike Cochrane plunging across from 2 yards out. Noggle kicked his only extra point putting the score at 7-0 early in the second quarter.

The second of three touchdowns for Cochrane came with 1:10 remaining in the third quarter from one yard out. This climaxed a 61 yard, 17 play offensive drive.

La Habra scored their only T.D. when a Cochrane thrown pass was intercepted and returned 87 yards by Highlander defensiveman Jim Winston. With a good conversion, Magnolia led 13-7 early in the third quarter.

Quarterback Cochrane broke through for a 23 yard touchdown to climax a banner evening for the senior. The conversion was not good as Magnolia won 19-7.

#32, RON Oliver is tackled after long, third period gain in 21-6 victory in Sunny Hills game.

# Victory Over Rebels, CIF Berth,

MAGNOLIA 14—SAVANNA 0—In a repeat of 1962, Magnolia's Sentinels defeated cross town rival Savanna 14-0 for the Sentinel's second consecutive Crestview League Championship in football. Undefeated in two years of Crestview competition, Magnolia handily disposed of the Rebels with two, fast second quarter touchdowns in reaching the final tally.

Both teams exchanged the ball on downs almost the entire second quarter as good defense highlighted play.

With only 1:05 remaining in the second quarter, Mike Cochrane fired a 52 yard pass to halfback Rich Thompson scoring the game's initial T.D. Mike Noggle converted bringing the score to 7-0 in this crucial game.

The Sentinels kicked-off and threw Savanna for minus yardage forcing them to punt. Rebel punter Larry Hall's punt was blocked and linebacker Dennis Lightner recovered and ran 35 yards for the T.D. with only 5 seconds remaining in the half.

Second half play was confined to the mid-field stripe as Magnolia came up with crucial defensive stands in the remaining minutes. At the sound of the gun, Magnolia had held and won 14-0.

The Sentinels, who take the word "practice game" literally, came back and won five straight after losing 3 of the 4 pre-league games. This victory enabled Magnolia to gain a position in the C.I.F. playoffs.

# Climax Victorious Year of Conquest

MAGNOLIA 13 — BUENA PARK 0 — Magnolia defeated Buena Park 13-0 in a return match of a pre-season contest at La Palma. The Coyotes who had defeated the Sentinels, were completely stymied by an overpowering defense which seemed to reach the season's peak in the second half.

Three quarters were scoreless until early in the fourth period when the Sentinels put together an outstanding 80 yard, 20 play drive which was hindered 30 yards in penalties. Mike Cochrane carried the ball across from 1 yard out to score the initial points.

Strong defense turned the ball back to Magnolia and they put together 81 yards in 17 plays for the second touchdown. Fullback Ron Oliver drove across from one yard out for the second score. Jerry Aguinaga kicked the conversion reaching the 13-0 score.

This victory advanced the team into the quarter finals of the California Inter-Scholastic Play-offs.

MAGNOLIA 14—LAWNDALE 25—Lawndale broke the six game win streak, 14-25, utilizing good play in the second half of play on the Cardinal home field.

Lawndale scored first on a 40-yard pass play from Quarterback Rick Heath to End Tom Duncan. Al Maciel converted to put the home team ahead.

The Sentinels struck back with seconds in the half on a concentrated 51 yard drive. Jerry Aguinaga kicked the extra point.

Lawndale came right back from 6 yards out but missed the extra point. The turning point was a Jim Helmer punt blocked by Cardinal Mike Leitzell who recovered and scored from 22 yards out.

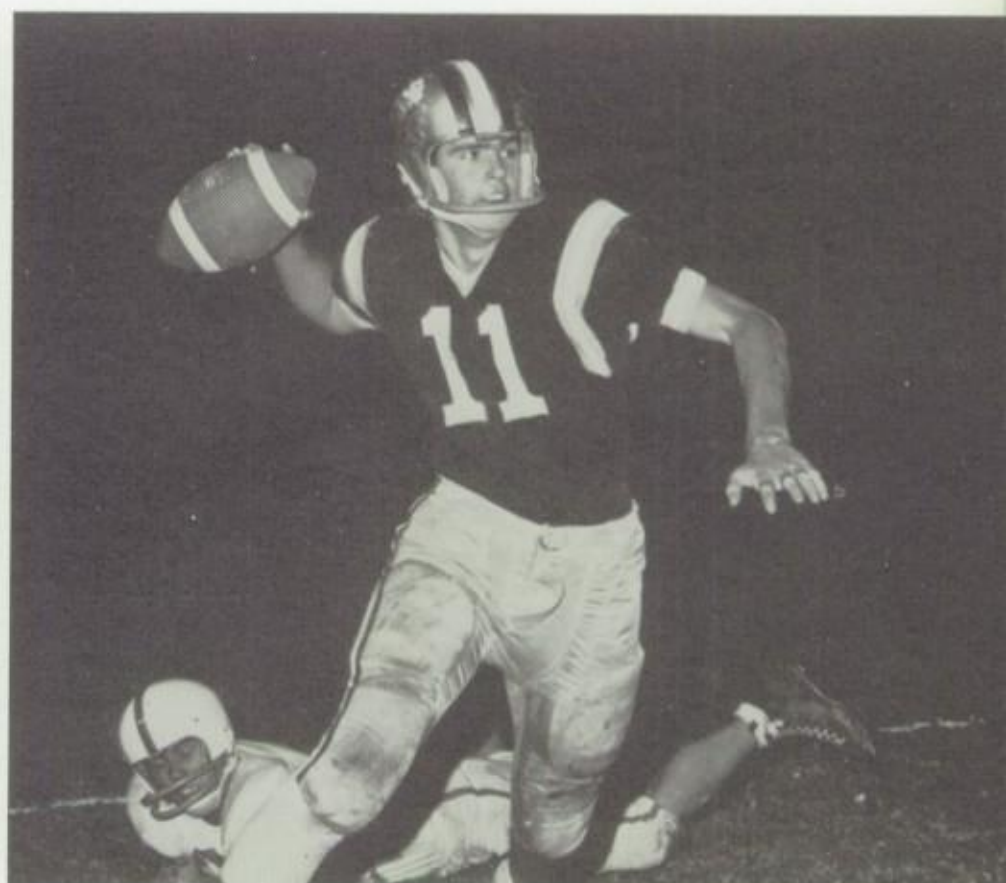

Rick Heath scored the final Lawndale touchdown from 1 yard, climaxing a 41 yard drive.

JUNIOR QUARTERBACK Joe Foster shows what is to come, sweeping end for 12 yards in 4th period play of Lawndale defeat, 14-25.

#43, Jerry Aguinaga regained his balance in a crucial 3rd period run gaining 23 yards in Savanna victory.

# Win Five, Lose Two, Tie One

Under the very able direction of Bill Price and Tony Ortega the Jayvees enjoyed another successful season posting a 5 win, 2 loss and 1 tie record.

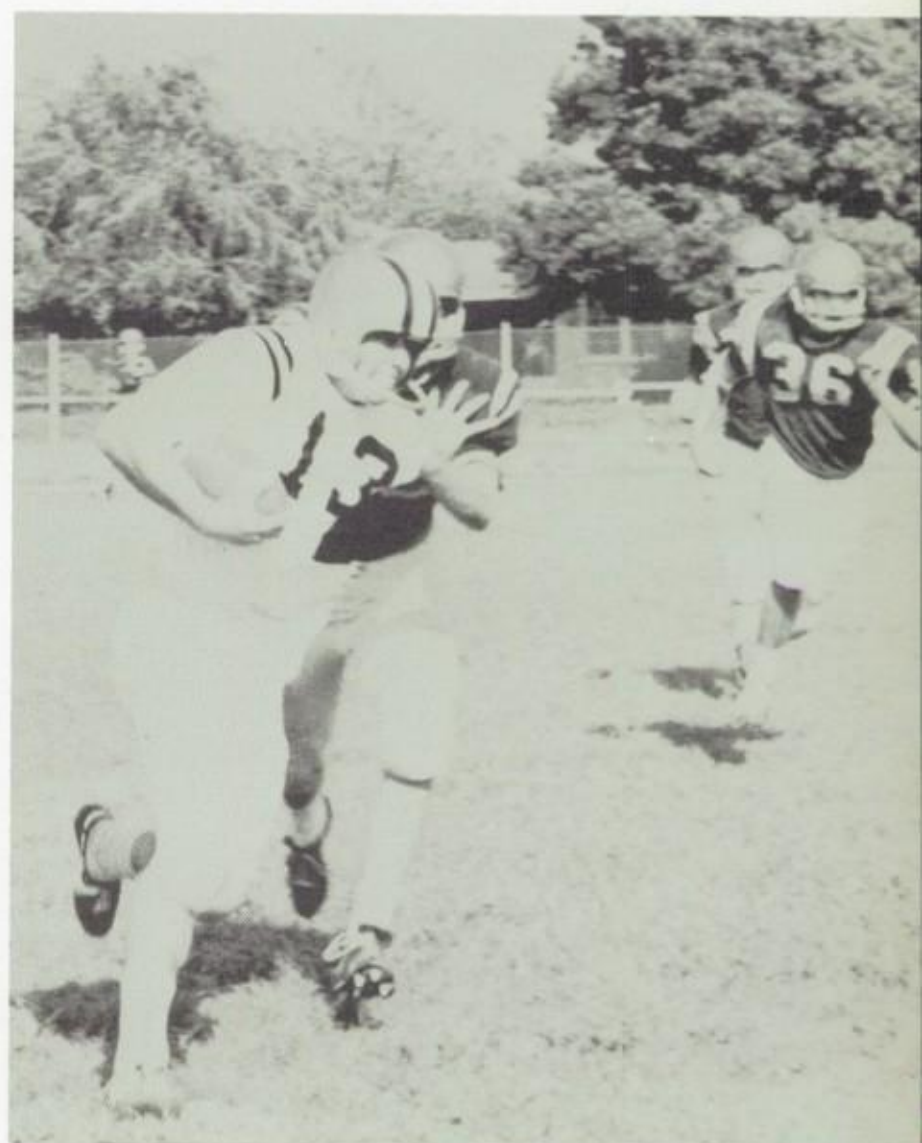

They commenced the season with a 18-14 victory over Brea and then extended the winning into the second game drubbing Loara 34-0. Ending out pre-league, they were tied by the Coyotes of Buena Park 13-13.

In Crestview League competition, the Sentinels dropped a last minute 7-13 loss to Santiago to open the league wars. Tustin, however, could not get by victoriously and were defeated 24-2. Sunny Hill's Lancers followed suit losing a 25-0 shutout to the Jayvees.

La Habra, on a last-ditch extra point, defeated the Sentinels 6-7. In their final game of the league season, the Jayvees were victorious over the Rebels of cross-town Savanna 13-6.

Even though the Bee Football season consisted of nine defeats, the team still had true team spirit and sportsmanship and acquired the valuable experience that comes from their two fine coaches, Stan Hayden and Tom Noel.

Victory was never achieved and the season appeared to be a long one at the very first as they were defeated 40-0 by a strong Brea team. The final practice games resulted in defeats, 20-7 and 19-6, to Buena Park and Garden Grove.

The league season opened with a close defeat to Santiago, 19-13. Tustin blanked the Sentinels, 13-0. Magnolia fought hard but was defeated by a strong Sunny Hills team, 47-20. The Sentinels lost to La Habra, 48-19, and were defeated by cross-town rival Savanna, 38-0.

Coach Tom Noel stated that the season was long and hard but he said the boys never gave up and were always working hard. Jack Hale and Bruce Cuthill were chosen co-captains.

Our Cee football team registered their best season yet as they won 6 games and lost but 2. The team was composed of many sophomores. So, many hours of coaching were necessary to teach the players Magnolia's way to play football. Coaches Wayne Crook and Walt Hess did an excellent job this season.

The Sentinels started the season with three straight pre-league wins by defeating Brea, 20-6, Buena Park, 6-0, and Garden Grove, 25-12.

It looked as though the league was theirs with opening victories over Santiago, 41-0, and Tustin, 14-13. After losing two in a row, first to Sunny Hills, 13-7, and then to La Habra, 14-0, they ended the season with a strong 20-12 victory over cross-town rival Savanna.

# Poloists to Fourth Place in League

Finishing fourth in a very strong Crestview League, Magnolia's Varsity Water Polo team was unable to put together as good a record as expected with a 4 win, 6 loss in league and a 5 win, 7 loss slate over all.

Coached by the experienced Robert Foley, the Sentinels started the season with a victory over Costa Mesa 8 goals to 5. They were defeated by an excellent and long established Anaheim squad 19 to 5.

Magnolia opened the league with back to back victories over Santiago and Tustin. They bested the Cavaliers by a lopsided score of 15 to 2 and downed Tustin 19 to 8.

The Sentinels lost three straight to Sunny Hills 18 to 6, La Habra 8 to 1, and Savanna 11 to 2. Again the poloists defeated Santiago this time 27-14, and dumped Tustin 7-3 to end the season's victories.

Sunny Hills was victorious 8-3 and La Habra followed 15-5, preceding a 23-4 loss to the Rebels of Savanna.

Praise was given to George Lefkowitz, Richard Price, Joe Farquhar and Bill Van Houten for their efforts throughout the season's play.

# in League Games

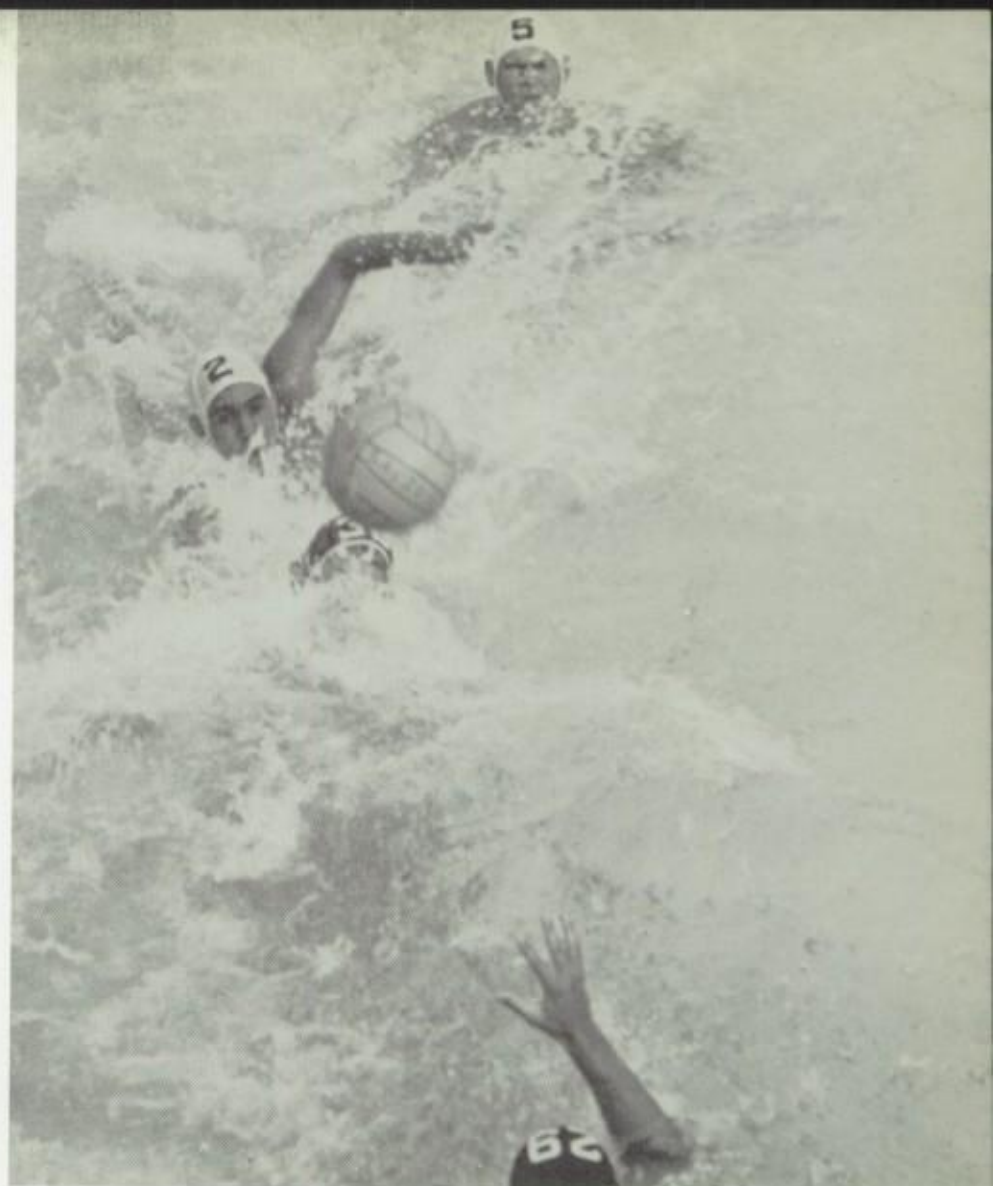

Bee Water Polo was a split decision this year as the hustling Bees, under the direction of Fred Upthegrove, recorded a 5 win and 5 loss slate in league competition.

Highlights of the season were two hard fought victories over cross-town Savanna, 10-5 and 4-2.

Leading the Bees this year were Steve Lawson, captain; Mike Summers, most valuable player; and Derek Hamer, most improved. These men were outstanding throughout the season. A team consisting of mostly Sophomores and Juniors, much valuable experience was gained for next year's varsity squad.

# As Jayvees Build for Seasons Ahead

The VARSITY Cross Country team under the able coaching of Harry Weston found Crestview competition tough as they won two while losing three in league. Led by stalwarts Dave Stoner, Rick Bergstrom, Sam Mattern, and Ted Humphrey, the runners defeated the Rebels of Savanna in the first league match 23-32.

Santiago proved too much for the Sentinels as they were defeated by four points 30-26. The Lancers of Sunny Hills edged the Harriers by three, 29-26.

Tustin was defeated for the second victory of the league season 21-34. Dave Stoner led the team gaining a first in this competition.

The final meet of the year could not end in victory as the strong Highlanders of La Habra overpowered the Varsity 25-35.

Although all members contributed much to the season, extra praise should be given Ted Humphrey for a strong amount of determination he exhibited during the whole season. Also, praise should be given Most Valuable Player, senior, Dave Stoner.

The JUNIOR VARSITY Cross Country team also coached by Mr. Weston could win but one in hard-pressed competition. Coupled with four losses, the Jayvees could not claim a winning season.

The value of below varsity teams was accomplished as much experience was gained throughout the season by many Sophomores and Juniors who will possibly help future Varsity teams in seasons ahead.

Unlike the Varsity, they were unable to defeat the rival Savanna and were defeated 35-21. (The lower score winning.)

Santiago swamped the underlings 43-15 in the second league contest. The Sunny Hills' Lancers fell victim to the second Sentinel victory, 28-29.

The Tillers of Tustin were too much, winning the bulk of the race and bringing the score to 42-19.

Worst of the defeats came at the hands of track-minded La Habra by the score of 50-15. Good improvement by many of the Jayvees gives hope to Magnolia Cross Country for strong finishes in the Crestview League during future seasons.

ALL-LEAGUE, ALL-CITY player Jerry Early fights for rebound in loss to La Habra 52-74.

The 1963 Varsity Basketball Team compiled a 12 win-12 loss record for the season's play. In league, however, the Sentinels won 9 and dropped 6, placing second behind Orange County ranked La Habra. This enabled Magnolia to gain a place in the C.I.F. playoffs.

In pre-league, the Sentinels won but three. The season started on a bad note as Riverside was victorious 49-52. Garden Grove followed step 45-57 before the Jerry Gray led players defeated the Mustangs of Costa Mesa 71-53. Magnolia could not come back however and was defeated for the first of four times by La Habra 61-66. Savanna did likewise 58-68 before a victory could be achieved over Westminster 71-51. The streak was stretched to back-to-back victories when Fullerton was defeated 60-53. The practice schedule was finished with a defeat to first ranked Western 48-79.

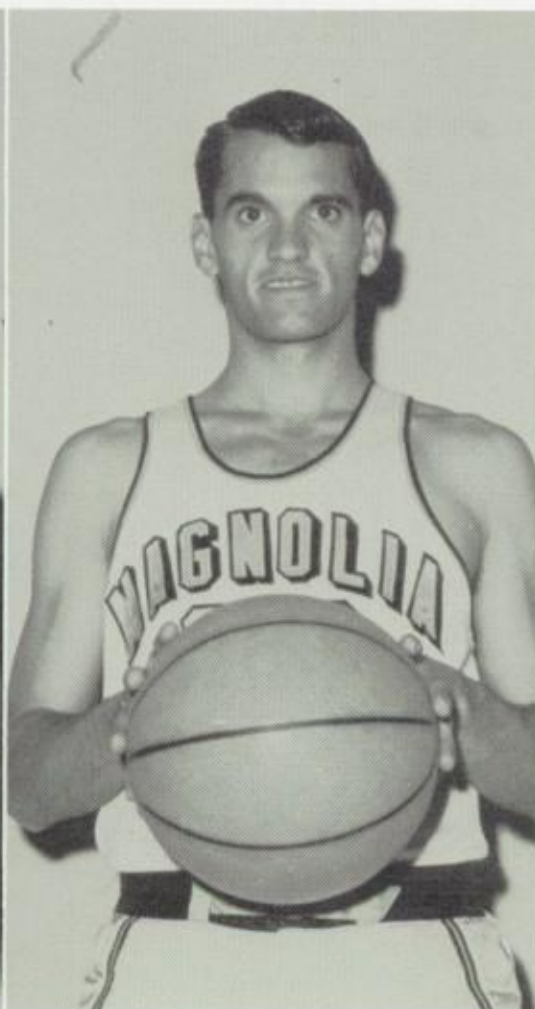

In the league opener, Sunny Hills was dropped 67-56. Alert play resulted in the 67-53 victory over the Santiago Cavaliers. Tustin fell prey in a home contest 62-40 before La Habra gained a strong victory 52-74. Rival Savanna lost 65-52 to close out the first of three rounds in Crestview League competition.

Santiago was on the losing side of the score 67-50 in middle-round battle. However, La Habra was victorious 48-68. Savanna too, gained a win, edging the Sentinels 41-47.

Third round action saw a time for Magnolia revenge as the Tillers of Tustin fell short 71-63. The Varsity narrowly defeated Sunny Hills 60-57 for the third time to round out play with the Fullerton School. Santiago again lost 57-46 before Magnolia dropped the remaining league games to La Habra 65-72 and Savanna 54-72.

Oxnard was drawn for first round play in C.I.F. Channel League Champs, they were victorious 82-96 to end the season's work.

All-Leaguers were Stan Sowa, Jerry Early, and Tom Scott while Early also gained All-City laurels and was especially praised for his great hustle. Captain was Roger See.

# Is Gained for 1965 Varsity Squad

Under Coach Ernie Wheeler, the Jay-vees enjoyed a successful 15 win season. This gives much hope that Varsity material was developed to help the Varsity in the next two years.

In pre-league, the season opener resulted in victory over Ramona by a close 39-38 score. Garden Grove was defeated 41-33. Santa Ana, Westminster, and Fullerton fell by the tallies of 40-32, 53-41, and 50-42 before quick Western won 35-49. Pre-league gave the players good experience as they met some of the better teams in the county and lost but two.

In league, Sunny Hills was first to fall 58-49 in the team's opener of the Crestview League season.

Tustin fell on the losing side as the Sents administered a 57-36 defeat. La Habra broke the streak, defeat-

ing Magnolia 41-62.

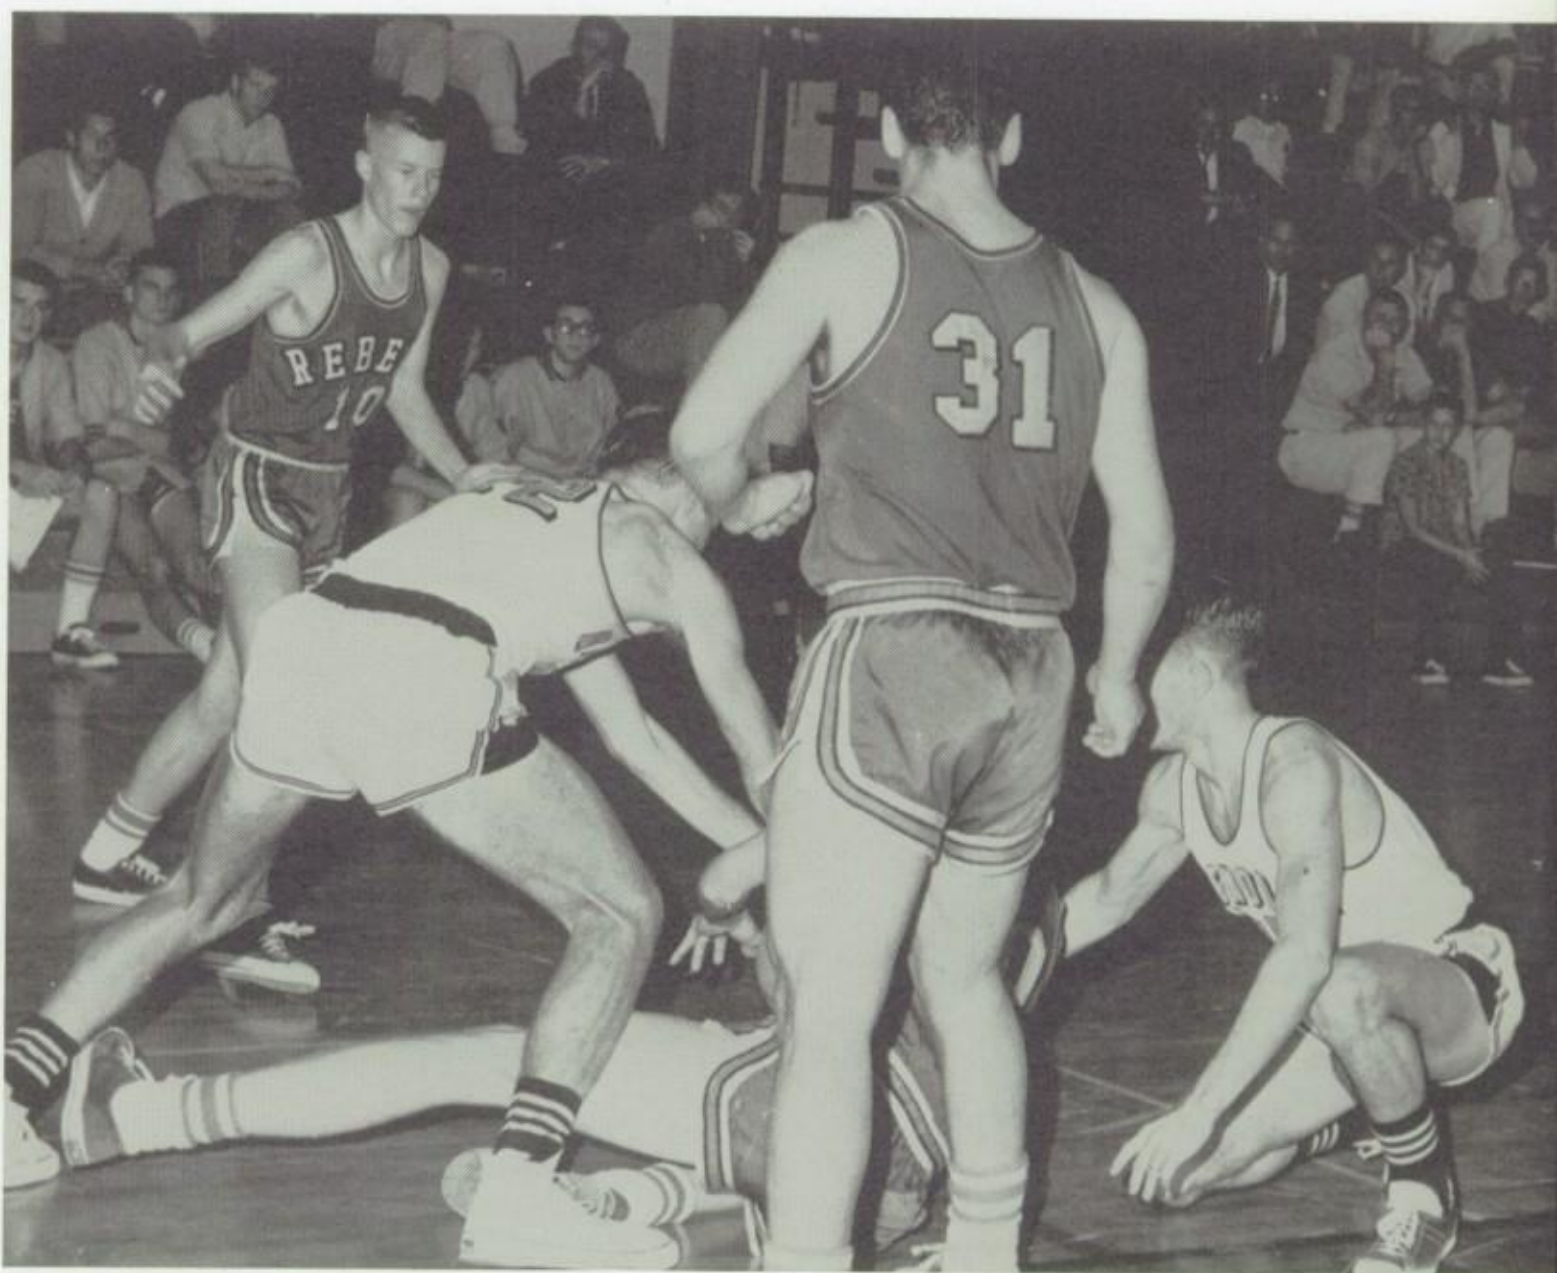

The Rebels of Savanna could not overcome an outstanding effort and were defeated 45-38. Tustin fell again in second round play 48-36.

Magnolia defeated Sunny Hills 57-43 and swamped Santiago 42-26 before again falling to the Highlanders of La Habra 46-62.

Savanna revenged an earlier loss defeating the Sentinels in a closely-fought game 43-46.

Tustin could not do likewise and was defeated soundly 40-29. Sunny Hills too fell 64-55 before a spirited Santiago team was victorious 44-46.

La Habra again ran wild and was too much for the Sents 51-61. Savanna however, could not take the best of three games and was defeated 56-45.

SAVANNA PROVED too rough for Jayvees in second encounter but were turned away in 45-38 and 56-45 victories during first and third rounds.

# Year of Mistakes Proves Costly for

The Bee Basketball team suffered many setbacks and a long season while compiling a 5 win and 19 loss record. However, through the able coaching of Wayne Crook the Sentinels gained much needed experience for the varsity squad.

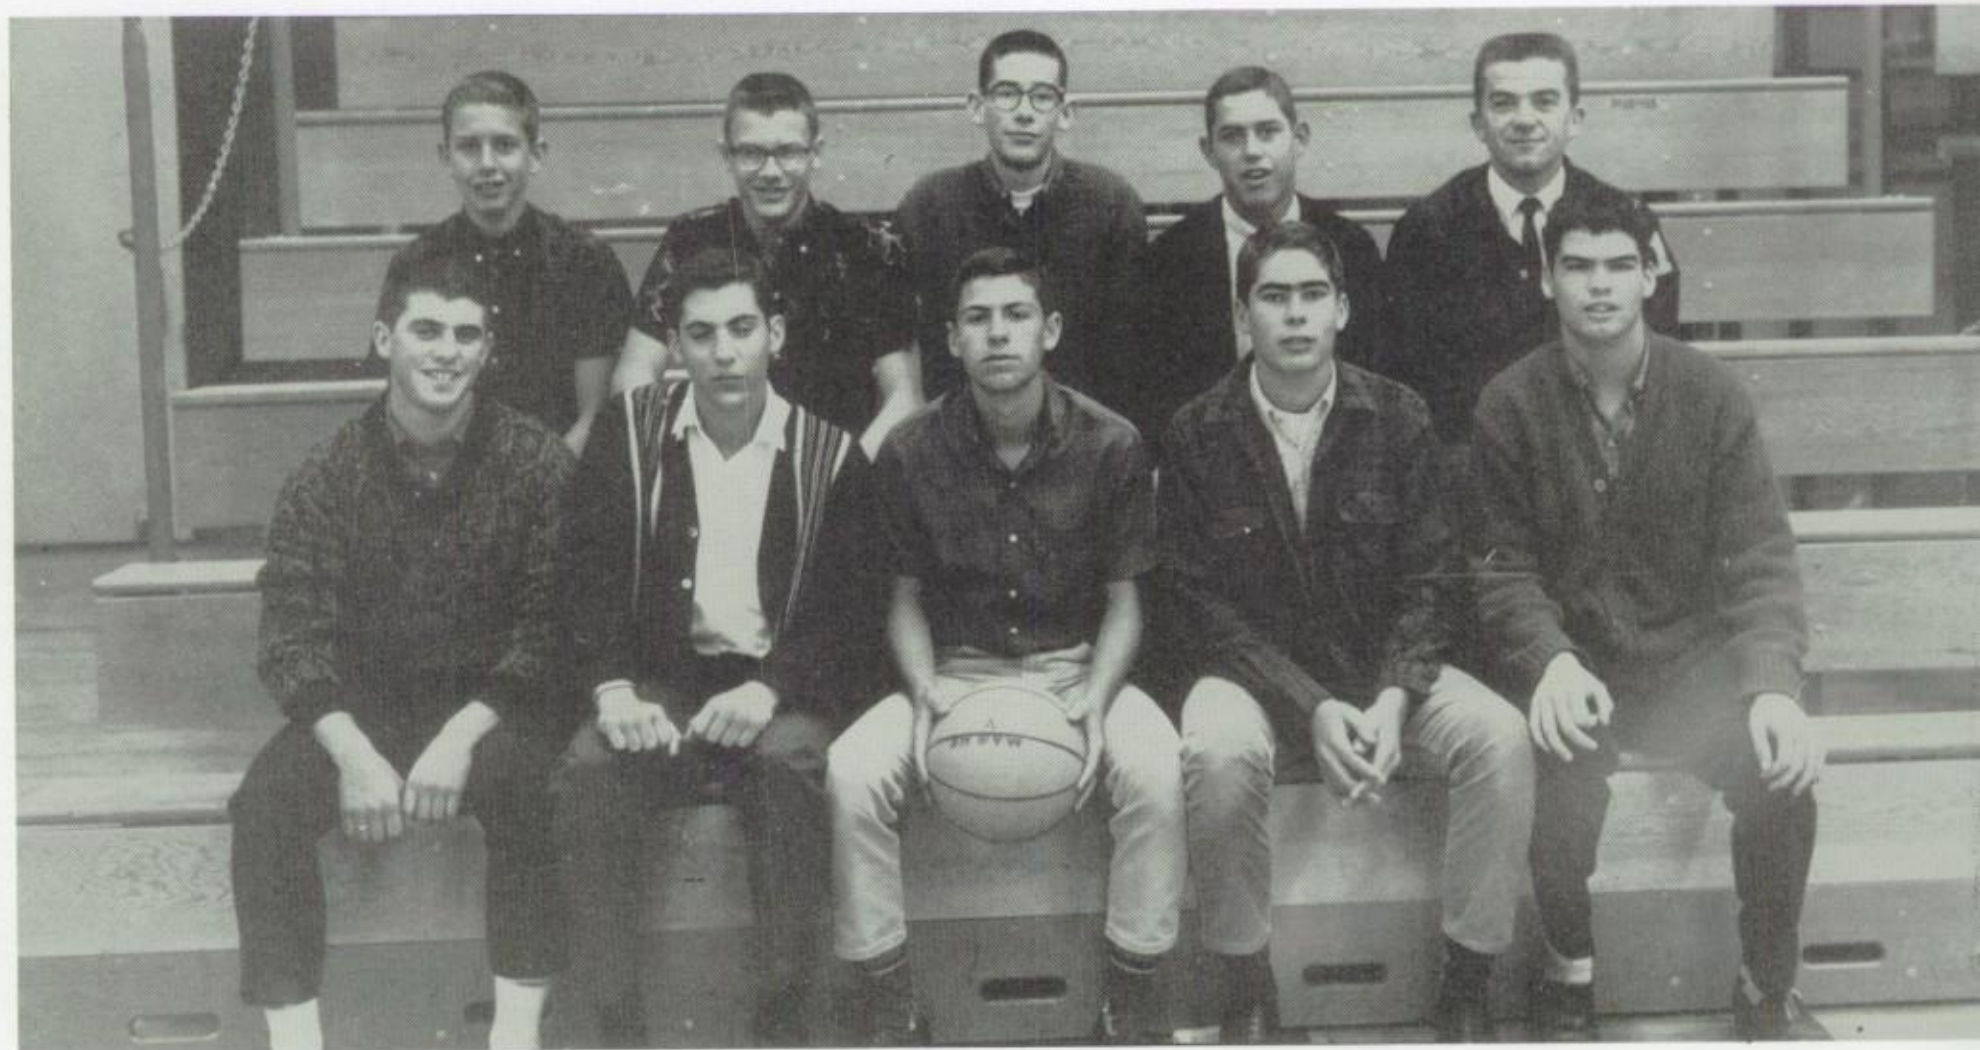

The Sentinels got off to a slow start as they lost their first six games in pre-league competition. Ramona 26-47, Garden Grove 41-43, Santa Ana 24-31, Westminster 42-47, Fullerton 34-48 and Mater Dei 28-35. Then in the Western Christmas Tournament the Bees went to the finals in the consolation bracket by defeating La Habra 43-41 and Savanna 36-33 only to lose to Costa Mesa 31-37.

The league opened on a bad note as Magnolia lost five straight. Tustin 59-72, Sunny Hills 35-60, Santiago 38-53, La Habra 32-61 and Savanna 38-43. Opening the second round the Sentinels defeated Tustin 42-34 only swamped by Sunny Hills 27-77. Santiago and La Habra both were victorious over the Bees 31-42 and 47-65. In a close game Magnolia defeated Savanna 47-45.

The final round was also a rough road for the Bees as they lost four in a row to Tustin 65-76, Sunny Hills 49-68, Santiago 50-54 and La Habra 43-63. The Sentinels ended the season on a winning note defeating Savana 57-50.

BEE BASKETBALL TEAM—TOP ROW: W. Crook, Coach, J. Hicks, J. Fraser, J. Hale, L. Clark. BOTTOM ROW: B. Newcum, D. Tyrell, J. Walker.

Coached by Ivan Schuler the Cees gained many minutes of playing time and experience for the future. The lightweights posted an 8 win, 14 loss record for the season and 3 win, 12 loss in league play.

The Sentinels opened the season with a 30-21 defeat of Garden Grove. Santa Ana beat Magnolia 34-45 before they entered the Western Christmas Tournament. In the Tournament the Cees defeated Fullerton 44-37, Western 43-31, La Salle 38-32 and in the final championship game Magnolia was defeated by La Habra 20-42.

The league season was started on a poor note as the Cees were beaten in a close game by Tustin 33-38. They took the beating out on Sunny Hills defeating them 62-41 in their highest scoring game of the year. The Sentinels then ran into a cold streak and were defeated by Santiago 36-37, La Habra 34-54, Savanna 27-41 and Tustin 33-37. Magnolia again defeated Sunny Hills 43-38 to end the losing streak.

Santiago, La Habra and Savanna downed the lightweights 21-29, 23-44, and 39-45. Tustin was beaten to open the third round 44-42. The last three games were losses for the Cees as Sunny Hills, Santiago and Savanna recorded victories 27-52, 40-47, and 39-43.

Under the direction of Jud Brown and Stan Hayden, Magnolia's Varsity Wrestling Team captured the Crestview League Championship in the league finals held at Tustin. In dual meets the grapplers had a 4 win, 1 loss season in league competition and 3 win, 3 loss record in pre-league. The Sentinels defeated Santiago 24-23 and cross-town rival Savanna 48-9 before losing to Sunny Hills 21-22 in league. La Habra and Tustin were both swamped by Magnolia 31-11 and 39-15 to end loop play. Jeff Seeley was team captain with Gary Spoon and Larry Sanders Most Valuable and Most Improved players respectively.

Junior Varsity Wrestling compiled a 7 win, 4 loss and 1 tie record for the season and a very fine 4 win, 1 loss record en route to second place in the Crestview League. The league was started with two straight victories as the Jayvees defeated Santiago 35-18 and floored out cross-town rival Savanna 40-13. Sunny Hills ended the win streak by beating Magnolia 13-34. The grapplers ended the season with two lopsided victories over La Habra 34-19 and Tustin 40-6. This outstanding season brings hope for a repeat of this season's success in Varsity competition next year.

# Lack of Depth in Many Events

The fortunes of the Varsity Track team up to the time of printing had not fared well with the Sentinels coming up on the short end of the score for all five meets.

Lack of depth was the main cause of the fall as the thinclads were unable to win consistently in the track events.

First on the schedule was a loss to Valencia 42-62. In a tri-meet versus Anaheim, El Rancho and Magnolia, the Colonists of Anaheim won over all with 48 points and the Sentinels were second, winning 42, with El Rancho taking third recording 37 points.

Huntington Beach was victorious 45-55. Buena Park rounded out the practice slate winning 41-53.

In the first meet of Crestview League, a strong Santiago team was overwhelmingly victorious 23-81.

RELAY TEAM—TOP ROW: D. Stoner. SECOND ROW: R. Berstrom, B. Daugherty. BOTTOM ROW: C. Kinnie, J. La Belle.

The Sentinel's four man, two mile relay team was very successful in early season competition. Composed of Dave Stoner, Rick Bergstrom, Chuck Kinnie, Bill Daugherty, and Jim La Belle, they had won the Bellflower Invitational in that event ranking them number 1 in Southern California. With the nationally recognized Mount San Antonio College Relays coming up there was much chance of Magnolia breaking the national record with supreme efforts by all involved.

SENTINEL STAR Dave Stoner records 1:56-7 time in 880 victory.

# by Small Squad, Find Competition Tough

The Bee Track Team, under the direction of Coaches Tony Ortega and Fred Upthegrove, were finding early season going very tough. Some men were doing outstanding jobs but a lack of numbers was leaving the Sentinels without depth in many events.

In the pole vault, Paul Gaydos was doing an outstanding job even, at times, pushing the Varsity vaulters Ed Merrill and Keith Kambek.

Bob Galbraith, Alan Burns, Don Duffey, and Frank Draves were all named as good possible Varsity prospects.

Like the Bees, the Cees were experiencing similar problems with even a smaller team in numbers.

The coaching staff, however, was quick to name Tom Ferguson and Ray Ramirez as very good varsity prospects.

FIRST AGAIN, Varsity-man Dave Stoner finished the last lap of the 880 yard run.

Under the excellent leadership of Coach Bob Ross, the Varsity had started fast winning their first eight including three league encounters. Up to the time of printing, strong hitting was making up for hot-cold pitching and shaky defense. However, improvement was being seen, in later games which gave hope that prospect of a big year in baseball was coming about.

Early pitching had been done by Mike Melton, Dennis Lightner, and Stan Sowa. Melton and Lightner turned in excellent performances while Sowa, out from basketball late, was just showing signs of coming around to form at the start of league play.

# Helmer Previews Big Year Leading

Many hitters were contributing to the attack with Jim Helmer leading them all. At the time of printing, rightfielder Helmer was batting about the .600 mark and had already contributed six homeruns in just eight games. Experts were calling him one of the most potent hitters in the county. Seven other players, including Randy Bicksler, Jon Davis, Don Gandy, Bob Balderson, Harry Shilvock, John Morris, and Tom Turner, were batting above the magic .300 spot. This caused newspapers to say Magnolia was "probably the most explosive and hardest hitting team in the entire county." With twelve games still ahead of the Varsity in league, there were many innings to be played before anything was to be decided.

# Eight Hitters Over High .300 Mark

TOM TURNER is seen seconds before base hit in Fullerton victory, 17-11.

The Sentinels started the year defeating Lowell 8-7. Then with strong pitching and timely hitting, La Quinta was defeated 6-2. Santa Ana Valley was next on the schedule and it took a late inning rally to defeat the Falcons 14-5. Magnolia then defeated 1963 Sunset League Champs and California Interscholastic Federation Runner-ups 4-1 at La Palma Park. The final pre-league game resulted in victory over Fullerton 17-11.

Stan Sowa relieved in the last inning, with runners in scoring position, to give the Sentinels a close 9-8 victory over Tustin in the league opener. A grand-slam homer by Jim Helmer highlighted a one sided 17-8 victory over the Lancers of Sunny Hills. Santiago was defeated 10-1 on the strong pitching of Dennis Lightner.

# Jayvees Split First Games While

Early season play for the Sentinel Junior Varsity and Sophomore teams had ended in an even won-loss scale. The Jayvees had won 5 and lost 2 with the Sophomores dropping all seven because of a lack of hitting. Highlighted in the early season for the Sophs was a no-hitter thrown at them by the Loara High tenth graders.

Coached by Ivan Schuler, the Jayvees had compiled a 2 win, 1 loss record in Crestview League play and were rated as an outside chance to repeat their Championship year of 1963.

The Sophomores, under Sid Shue, were unable to gain a victory in league up to the time of the publishing of this book but were turning in good performances and were expected to make a good showing for the season.

COACH BOB Ross won this one, but the Sentinels were defeated by La Habra 2-1 in first round play.

# Splashers Show Early Improvement

Coach Bill Price's Varsity Swimmers had found the going tough, up to the time of printing, dropping five meets while winning but two.

Early outstanding swimmers were Joe Farquhar, Butterfly and Freestyle, Captain Mike Cochrane, Freestyle, Richard Price, Backstroke, and Darrell Wong, Backstroke and Freestyle.

Laguna Beach was first on the slate but the Sentinels could not win their first meet and were dropped 20-52. La Mirada and Bolsa Grande did likewise 19-53 and 48-52. The first Magnolia win came against a fine Artesia team 58-40. This was quickly followed by the defeat of the Cavaliers from Santiago 67-15 in the first Crestview League match. Tustin was too much for the splashers and were victorious 19-67. The Lancers of Sunny Hills, favorites in the circuit, were victorious in the final meet before press time 10-72.

# Inexperience, Size Hurt Jayvees

The Jayvee Swimming Team was finding opponents tough to beat at the time of printing. However experience was being gained and only two overpowering league foes kept the team from recording it's second win. A poor turnout in early tryouts caused many men to swim in more than two or three events.

Under the able direction of Coach Walt Hess, the Golf team enjoyed tremendous success previous to the printing of this book. They recorded four match wins to no defeats.

The most noted of their wins was over Garden Grove who, in 1963, was rated Number 1 in Orange County. It has been a team effort but outstanding play has been shown by Gabe Loya, Mario Loya, Don Rudolph, Mike Montag, and Roger Emmons. Bob Harden, a sophomore, had been playing terrific golf and was pressing all above him.

The Sentinels were expected to do well in a league composed of many schools of the county.

Artesia proved to be the first victory for the Sentinels with the score at 61-59. That victory was followed with a win over Corona del Mar, 79-41. Excelsior showed too much depth and the Sentinels fell 27-93 in the final meet before printing.

Outstanding performers for Coach Foley were Jim Bennette, high bar, Don Deam, long horse, Al Gibson, side horse. Merrill Dean captained with Dave Winterbottom the co-captain.

To further an interest in athletics, and to promote good sportsmanship are two of the basic aims of the GAA. The Cabinet, working with Mrs. Jene Mangan, Miss Shirley Lapier, Miss Herta Friedrich, and Miss Dolores Pearson, was able to support these aims through the year. President Debbie Lind, Vice President Karen Peterson, Recording Secretary Donna Emery, Corresponding Secretary Marian Mossey, Historian Michele Burnett, Publicity Chairman Vicki Peterson, Treasurer Yvonne Marquez, and sports managers planned various social events along with sports competition.

The first social activity GAA sponsored was a Post-Game Dance in September. Shortly afterward, new members braved the ritual of initiation for three days, climaxed at the Initiation Banquet on October 29. Rose Cascio was selected as the best initiate.

The Fall Awards Banquet, held January 15, was a pot luck affair, honoring girls who achieved mid-year awards.

In February, members of the GAA represented Magnolia by attending the Orange County and State Girls' Athletic Association Convention.

Early in March, elections for the following year were held. Newly elected officers will take office at the beginning of next year.

The end of the year event was the Spring Awards Banquet, where the Outstanding Senior Athlete of the Year was announced. This girl was voted on by all members on the basis of outstanding athletic performance throughout the year, and exceptional contributions to GAA.

The first sport Magnolia GAA undertook was basketball. The girls had a successful season, dropping only one tournament to Western, resulting in a tie with Anaheim for first place in the league.

The Tennis Team did not fare as well, winning one of three tournaments. Western defeated Magnolia 7-5, Anaheim defeated Magnolia 9-3, but Magnolia successfully overrode arch-rival Savanna 9-3.

For their second year in field hockey, GAA fared extremely well, defeating Western, Loara, Savanna, and Anaheim. With an undefeated season, the girls placed first in the league.

# Our Curriculum In

MIKE WHITTAKER and chemistry instructor Mr. Peter Wallinsky demonstrate a thermite reaction where aluminum unites with oxygen in ferric oxide. The high temperature of reaction produces molten iron.

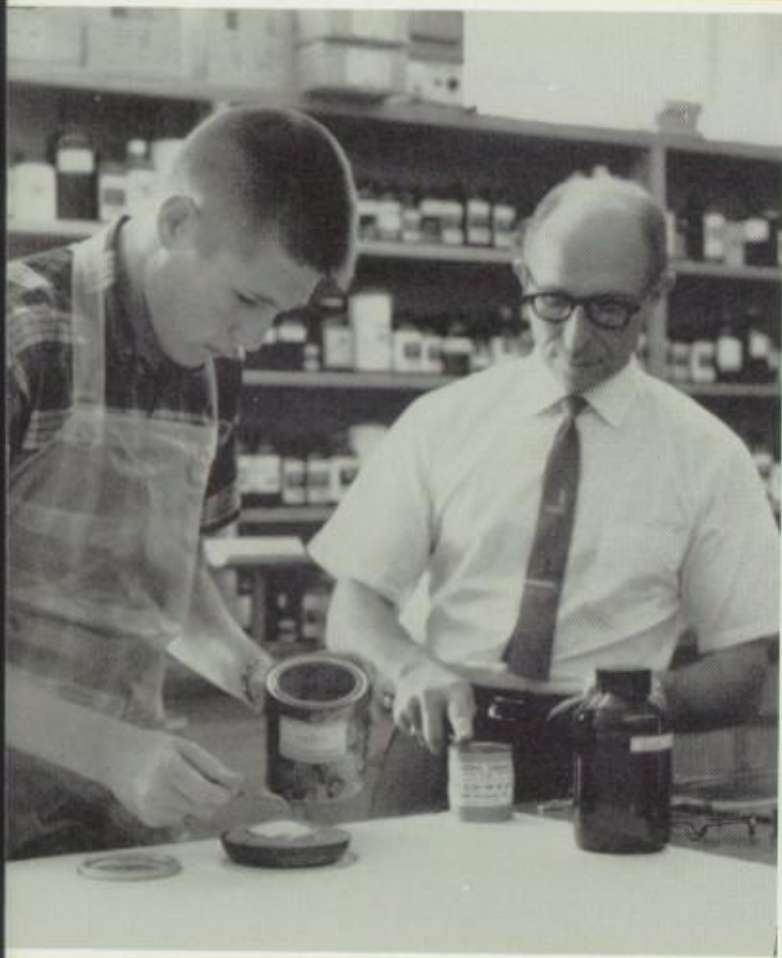

Our curriculum is the reason we attend Magnolia. Through these varied fields of studies we accomplish our goal as high school students.

Study makes up the bulk of our school day. The action of attending classes, completing homework, and taking tests is our main concern.

Magnolia offers courses to suit all Sentinels' needs. For the future scientist there is our incomparable Science Department. The homemaker of the future found training in the diversified Homemaking Department. Whatever the field of endeavor, each Sentinel found the help he needed in preparing for a future vocation.

Our curriculum is the basic part of our year. It includes the teachers, the counselors and the administrators as well as the classes. For these are the people who guided our year of action.

## Paul W. Cook Superintendent

A long career of school administration prepared Superintendent Paul W. Cook for the jurisdiction of the ten junior highs and five seniors highs of the Anaheim Union High School District.

Born in Oakland, Mr. Cook is a second generation Californian. He began his school career teaching Math and English at El Centro Junior High. His first administration job came with the principalship of a small country school in Heber. Superintendent of a small elementary school district followed, then he received the Anaheim Union High School District appointment.

Graduating from Dartmouth with a Bachelor of Arts Degree he took his Masters in Education at USC. Mr. Cook served four years in the Army as a First Lieutenant.

He has two daughters, one thirteen, attending Fremont, and an older girl who is a freshman at Orange State College.

PAUL COOK confers with secretary Marie Story in his office at the Anaheim District Office.

# Maintaining High Standards of MHS

## Richard Ryan Principal

Magnolia's Principal, Richard Ryan, was born in Des Moines, Iowa, and was imported to Glendale, California, while in the fifth grade. As a half-back on the Glendale Varsity Football team, he paced his squad to a second place in CIF in 1924 and to the Championship in 1925. He was elected All Southern California Halfback in the same year.

Upon graduation, Mr. Ryan was awarded a full tuition, four year scholarship to the University of Southern California where he played Freshman and Varsity football under coach Howard Jones. He graduated from USC with a Bachelor of Science Degree in Education in 1929.

Richard Ryan taught Physical Education in Imperial Valley at Brawley Union High School for two years before going to Anaheim Union High School in 1931. There he taught Physical Education and coached for twelve years. Also at Anaheim, he taught Industrial Arts and Woodshop. He received his first administrative position in September of 1955 as he moved into the Vice-Principalship at Anaheim High School.

When Magnolia High School opened in 1961, Richard Ryan was selected to head the school as Principal and for three years he has fulfilled his job admirably.

JEWELL ROSS assists Principal, Richard Ryan, in carrying out administrative duties.

# School Board Improves AUHS District --

BOARD OF TRUSTEES—L. Kenneth Heuler, William A. Almand, Paul Cook, Superintendent; Royal C. Marten, President; Marie Story, Superintendent's Secretary; Ken Wines, Assistant Superintendent; Ben H. Schroeder, Clerk; Erving Pickler, and William Moorehead, Assistant Superintendent.

Heading the administrative system of the Anaheim Union High School District were: Royal Marten, President; Kenneth Heulen, Ben Schroeder, Erving Pickler, and William Almand, members of the Board of Trustees.

Among their many duties the school board members were responsible for setting policies ruling the AUHS district.

Over the conference table are handled the affairs of the fourteen schools of the district. These schools are Anaheim, Loara, Magnolia, Savanna, and Western High Schools, Ball, Brookhurst, Crescent, Dale, Fremont, Oak, Orangeview, Trident, and Walker Junior High Schools.

These five men, elected to their posts, are local businessmen. They receive no compensation for their many hours of work other than the sincere appreciation of the students, administrative staffs, and faculties of the AUHS district.

BOARD MEMBERS informally discuss the evening's agenda before the regularly scheduled board meeting.

PAUL DRISCOLL, Junior Counselor, plans a change of schedule with Joyce Turner.

Headed by Mr. Dave Salisbury, the counseling and administrative staffs of Magnolia work to make sure that students get the best possible benefits from their high school career.

Starting early in the summer, the counselors meet with approximately two hundred sophomores and parents for an orientation and counseling meeting. Two hours are spent with each family to try to arrange the best possible course of study for the student.

Individual achievement is stressed in the Magnolia counseling program and under the "three level" system, counselors and students have an opportunity to become better acquainted. By having grade level unit offices, counselors and administrators follow the class throughout high school. This system has proved to be a well-organized plan to benefit all students.

Literature was emphasized at each level, Literature Appreciation for Sophomores, American Literature for Juniors, and English Literature for Seniors. Creative Writing, World Literature, and Modern Literature courses added to a well-rounded choice of elective classes.

Included in this department are the Speech and Drama classes. Combining classroom study and extra-curricular activities, the debate team and drama club heightened students' enthusiasm for these subjects.

The journalism classes gave MHS students a different view of the English field. Limited to upperclassmen, the Lamplighter and Sentinel staffs worked to produce journalistic compositions.

# Future Specialists

Because of the increasing interest in the field of science, the Magnolia Science Department is broken down into many areas. Students are offered courses that will help channel them into their prospective goals. Courses offered include: biology and physiology, concerned with the phenomena of living organisms, and chemistry and physics, which is concerned with the phenomena of non-living substances. The well-equipped labs of MHS provide an environment which encourages further interest in this broadening field of study.

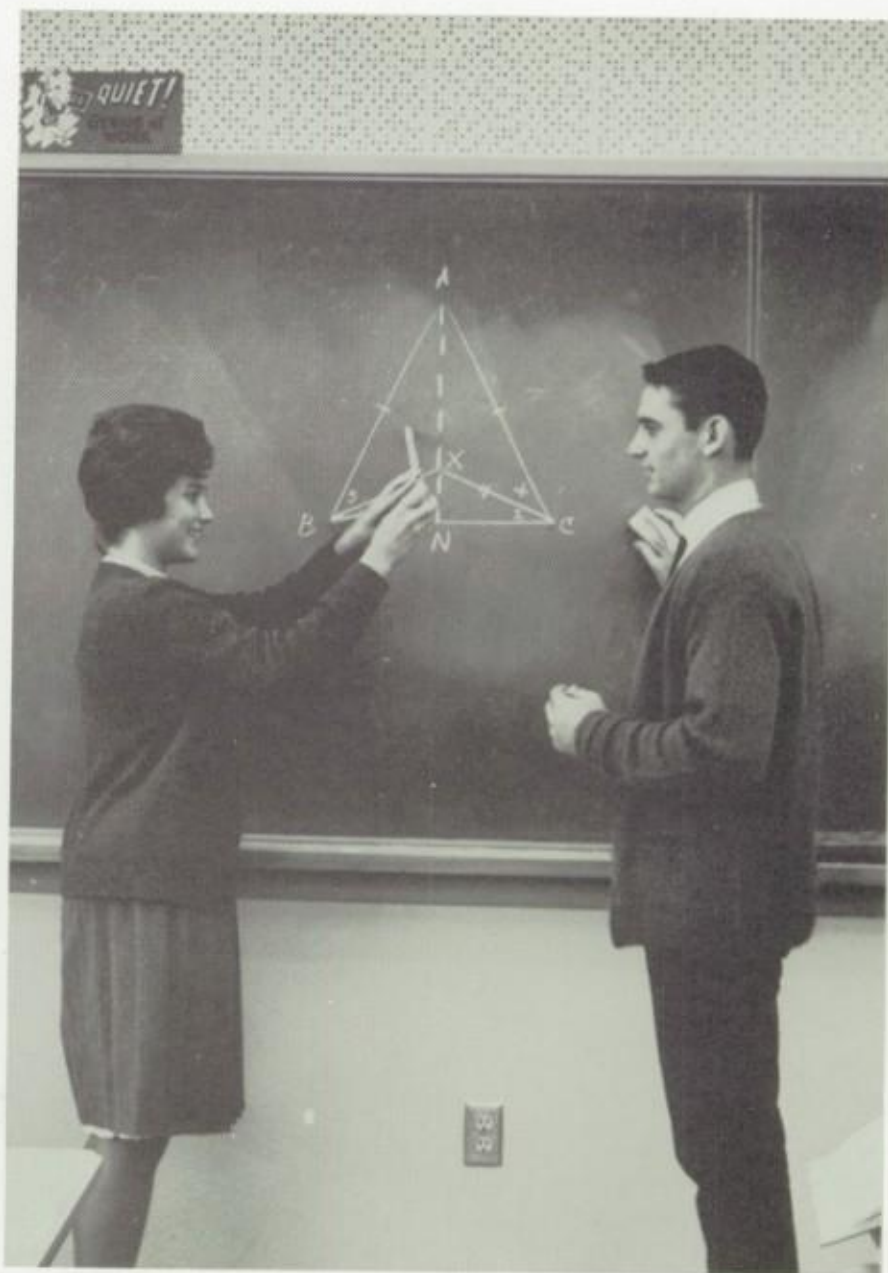

Math, one of the oldest forms of education, has become more popular due to the fact that industry has demanded more math technicians. The mathematic department offers courses in general math, algebra I, II, plane and solid geometry, trigonometry, and calculus. Teaching aids used to better visualize math structures are over-sized slide rules and protractors, film strips, and overhead projectors. In the spring semester outstanding math students have an opportunity to attend "Math Day" at Cerritos Junior College and Orange Coast College.

CHEMISTRY STUDENTS Charles Nobb, Leonard Campbell, Martin Kory, and John Fernandez collaborate in experimenting with weight densities.

SPECIAL PROJECTS in Biology are educational as well as fun. Here, Elmer Kammel, Bea Landau, and Rob Norton test a rat's reaction to fire.

One of the most varied fields of study is offered in the Fine Arts Department. For the student of art, classes in general art, Art I, II, special studies in design, special studies in drawing and painting, commercial art and art production, crafts, ceramics, and art history and appreciation are offered. In the realm of music, students have an opportunity to choose classes in chorus singing, band, and orchestra. For the study of languages, MHS offers a course of study equaled by few. Latin is taught in the traditional form of translation and conjugation. Linguists of Spanish, German, and French participate in the audio-lingual program, started in 1962. Students learn by hearing, speaking, and writing their respective language. To aid this method of teaching is the "language lab" where each student has his own booth complete with microphone, headset, and tape recorder. This method of teaching began during World War II when servicemen were forced to learn a language in a short period of time. It proved to be very successful, as it has at Magnolia.

Many Sentinel students as well as faculty members had their cars overhauled and repaired by the auto shop students. Equipped as fully as any garage, the shop provided an opportunity to gain experience in auto repair work for Sentinel boys.

This was one of several excellent vocational training courses included in the Industrial Arts Department. A large and well qualified faculty made it easy for boys to explore careers in different fields of industrial work.

Full workshops in Electronics, Metalwork, Woodcraft, and Drafting enabled students to specialize in any field. Advanced classes, selected from top students of beginning classes, provide even more specialization for the interested student. These advanced classes perform projects of service to the school, such as making scenery for the Drama department, decorations for dances and work for the pep squads.

YOUNG ARCHITECT, Ed Canady makes preliminary layout in Drafting Class.

# Provide Balanced Programs of Study

A changing and varied curriculum characterizes Magnolia's Social Studies Department. A modified version of the team teaching system is used, employing lecture trades between Government teachers to combined classes.

The real factors making Magnolia's Social Studies Department a dynamic, vital teaching instrument are the unique courses offered to the interested student of Social Studies. World History Since 1914, Geology, Current Affairs, International Relations, and Economics supplement and improve the required classes in American Government for Seniors and United States History for Juniors.

Another major aid to learning in this expanding field is the several field trips and extra courses offered through the supervision of the Department's teachers. A group expedition to the debate between high officers in the American Civil Liberties Union and the John Birch Society sponsored by Whittier College debate society and sponsoring of three students plus a faculty advisor for the World Diplomacy Day at Occidental College were two such extra projects, designed to increase interest and knowledge in this field. Some students attended the Republican rally held at the Disneyland Hotel under Department sponsors.

# Varied Courses Offer

BUSINESS MACHINES class gives Cheryl Meister a chance to practice using an adding machine.

On the practical side of the curriculum, the Business Education department, under Mr. Arthur Embree, prepares Sentinels for any eventuality, duplicating actual working conditions for those with business ambitions and teaching all the necessary skills for adequate school work.

Work Experience and Office Practice provide double training, helping the school as well as teaching. Other classes, such as Business Machines and Retail Merchandising, are valuable in preparing students for good jobs. Typing and Shorthand classes are useful for everyone.

Another side of this department are the Home Economics courses. Through contests, clubs, and field trips, as well as scholarship recommendations for specialized students, they foster principles of cleanliness and order in the home. Courses for beginners and advanced students offer a variety of experiences, and MHS even has an all boys Chef's Class, an unusual feature.

# Fitness Program

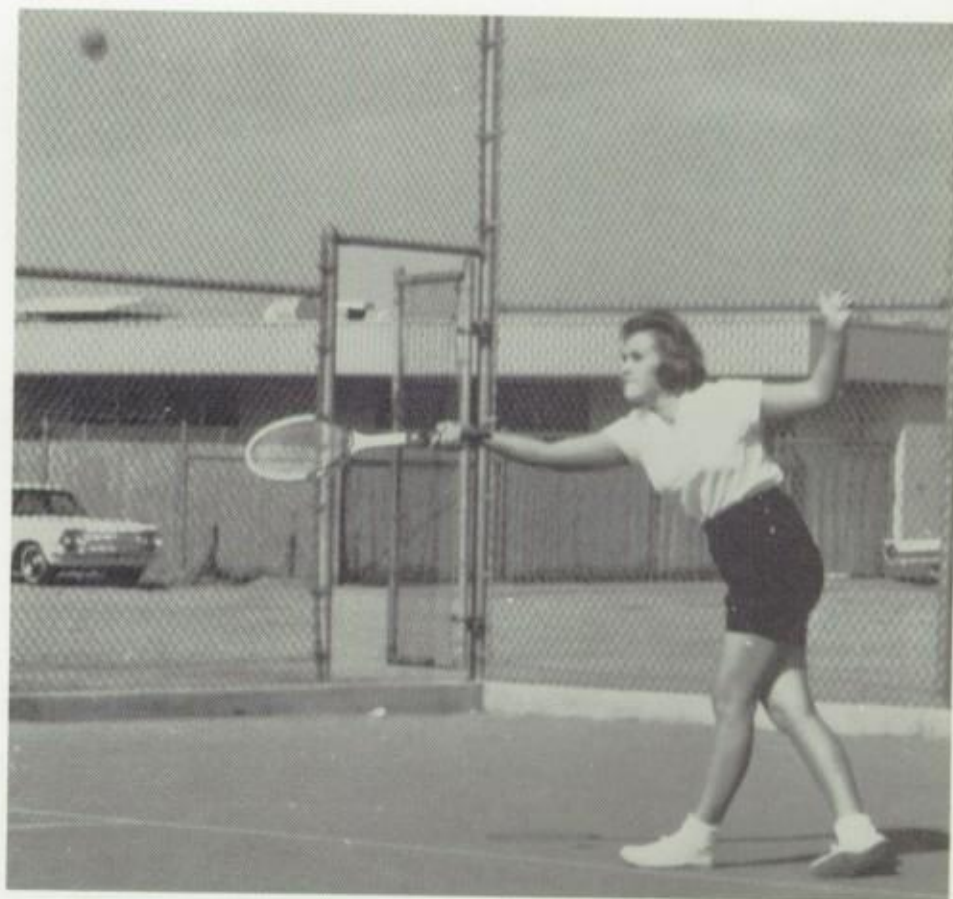

Boys' physical education program is a plan of grouping boys by physical fitness ability and a designation is made by the wearing of different colored trunks. The basic group wear blue trunks, the intermediate group wears blue with a white stripe, and the advanced group, of which there are few, wear gold trunks. The purpose of these groupings is to provide a challenge to advance in color groups and achieve greater efforts in physical fitness.

The physical education classes may be compared with academic classes. The adaptive P.E. is for students unable to take part in the regular program. The intermediate and advanced classes could be compared with college prep and non-college prep courses. The Athletic program could be compared with the accelerated classes.

Activities headline the Girls' physical education curriculum. In helping students to develop the ability to move effectively, this department offers a wide variety of activities that provide the best possible opportunities for each girl to attain growth and development commensurate with her ability. The combination of instruction and participation should result in evidence of growth in body co-ordination, strength, agility, and endurance. The high-stepping "Continental" drill team and the "Susie Sentinels" GAA are included in this department.

PHYSICAL FITNESS means plenty of exercise. Boys' Physical Education classes stress exercise, as pictured above.

TENNIS IS only one of the many sports in which girls participate. Here, Cheryl O'Connell returns a serve.

G.A.A. OFFERS interested girls a full and strenuous sports program.

# New Books Emphasized by Librarian,

LIBRARIAN YVONNE Vierra confers with library clerk Connie Ashe in Magnolia's circular library. Working together throughout the year, Miss Vierra and Mrs. Ashe were helpful to MHS students.

STUDENTS SPEND many hours of valuable time studying in the quiet of the Magnolia information center.

"We emphasize new books: we don't believe in letting books sit on musty old shelves, we make them known to the students," says Librarian Yvonne Vierra.

Miss Vierra, working with Mrs. "Connie" Ashe, clerk, helps make the Magnolia library an active and flexible source of information and research.

From a new, underdeveloped library, the MHS library has been built in three years into an excellent instrument of instruction and cultivation. In the years to come, the unique round building will become more and more valuable as an aid to education.

# Staff Is Acknowledged

Distributing the final copy of the 1964 Sentinel is the last phase the yearbook staff goes through. However, there is a great deal of work behind the scenes that goes on before this time. Recognition should be given to the following people for the many hours spent throughout the year executing the mechanical process of yearbook production.

Associate Editor Pat Conway could always be counted upon to do the something "extra" required of her position. Pat not only developed the theme pages and dedication, but was also responsible for the Student Government section.

The Section Editors gave many time-consuming efforts to our journalistic endeavor. These people were Linda Theis, Business Manager; Sally Schwartz, Art and Curriculum; Karen Barrett, Seniors; Mary Underhill, Underclassmen; Liz Guccione, Organizations; Mariah Mossey, Activities; Bernie Schneider, Athletics, and Candy Shearer, Index.

The constant pressure of deadlines could not be met without the help of the remaining staff members. Countless hours of doing odd jobs, which are so necessary to the yearbook process, were contributed by these people. They were Diane Rosenblum, Diane Joy, Pat Sullivan, Joyce Turner, Linda Erickson, Joe Trepesowsky, Sally Long, Sue McKinnon, Mike Cochrane, Barbara Rollins, and Ginger Coulter. I would also like to thank Lamp-lighter Editor Mary Pelfry for her help on the Curriculum section.

Filling the requests of numerous people needing pictures were Magnolia's photographers. Dennis Apeland and Jack Duffner did an outstanding job of taking and developing photographs throughout the year.

Sincere thanks are extended to Dean Hesketh and "Buck" Buchner of Renwood Studio for their excellent photographs throughout the book. Arsene Studio is to be thanked for their fine photograph of the Board of Trustees. The Athletics section was highlighted by several action shots contributed by Len Handel, Anaheim Bulletin Sports Editor.

The efforts of the entire staff have been made fruitful through the advice and individual guidance offered by our advisor Richard Fleming. His experience was a great help in meeting the daily responsibilities required of the staff.

The year has come to a close. For the graduate this will be a final glance at his effort, his triumph. For the underclassman it may be the beginning of a worthwhile experience. And though the year has ended, let the action of our minds be heightened by the memory of "Our Campus In Action!"

The last departing footsteps echo through the deserted halls on a warm June afternoon and a haunting stillness settles over the campus. Twilight nears and our year of action draws to a close. It has been a busy year, one filled with excitement, laughter, and tears. We will cherish the memories that were made here. But now we must leave; knowing full well that others will follow and that the action can never really end.
